Review the detailed ECU Graduate School information for INTERNATIONAL STUDENTS about the application process at: [http://www.ecu.edu/cs-acad/gradschool/International-Students.cfm](http://www.ecu.edu/cs-acad/gradschool/International-Students.cfm).

In brief summary: Transcripts: The Graduate School needs official transcripts in your native language of issue as well as an official, notarized or certified copy in English. If you are admitted to ECU, we will then require a third-party credential evaluation for your degree granting institution. This evaluation is only required after admission to ECU. We accept evaluations by World Education Services (WES), Educational Credential Evaluators (ECE), and International Education Evaluations, Inc. (IEE). We require the Document-by-Document evaluation. Documents must indicate that, at a minimum, a bachelor’s degree or its US equivalent has been awarded by an accredited college or university. If you do not meet these requirements, then you will be dismissed from ECU.
