

Come Join our Cochlear Implant Parent Support Group!

Our Parent Support Group is a peer support group for parents, families, friends and professionals dealing with children who have cochlear implants and are using Speech/Audition.

Childcare & Dessert Provided

RSVP to Parent Leader

Jackie Wiggins

Jackie_wiggins@hotmail.com or

252-560-0042

Please include number of people attending
and ages of children.

“All in the Family”
Speakers this month include adult cochlear implant users, their parents, and their siblings. Come and discuss being, raising and growing up with a child with a hearing loss. You won't want to miss this one!
