

Curriculum Vitae

Suzanne Lazorick, M.D., M.P.H.

October 2010

Work Address: 600 Moye Blvd , 3E-139 Brody Building
Greenville, NC 27834
email: LAZORICKS@ECU.EDU

Education

- 7/2004-6/2006 National Research Service Award
Primary Care Research Fellowship
Cecil G. Sheps Center for Health Services Research
University of North Carolina at Chapel Hill
- 7/2004-6/2006 Preventive Medicine Residency/Fellowship
Department of Social Medicine,
University of North Carolina, at Chapel Hill
- 7/1995-7/2000 Combined Internal Medicine and Pediatrics Residency,
University of North Carolina at Chapel Hill,
Administrative Chief Resident, 1999-2000
- 8/1990- 6/1995 University of North Carolina School of Medicine, M.D.
- 9/1993-6/1995 University of North Carolina School of Public Health, M.P.H.
Maternal and Child Health
- 8/1985-12/1988 Duke University, B.S. with distinction, Major: Zoology

Appointments and Professional Experience

- 8/15/2006- present Assistant Professor, Department of Pediatrics and Department of Public Health, Brody School of Medicine, East Carolina University, Greenville, NC.
- 8/2004-8/2006 Part-time pediatrician, Growing Child Pediatrics, Clayton, NC
7/2000-7/2004 Full-time internist/pediatrician, Benson Area Medical Center (state-qualified Rural Health Center), Benson, NC
- 7/2004-06 Attending staff pediatrician, WakeMed Hospital, Raleigh, NC
7/2000-04 Attending staff internist/pediatrician, WakeMed Hospital, Raleigh, NC
- 1/1989-7/1990 Research Technician, Duke University Medical Center
Microbiology and Immunology
Principal Investigator, Kay Singer, PhD

Other Positions and Appointments

- 8/1/07-present Administrative Director, Medical Student Education in Population Health and Prevention; Department of Public Health, Brody School of Medicine, East Carolina University, Greenville, NC.
- 5/1/07-present Associate Director for Community Research and Prevention, ECU Pediatric Healthy Weight Research and Treatment Center, Brody School of Medicine, East Carolina University, Greenville, NC.

Certification and Licensure

- Diplomate, American Board of Internal Medicine, #197311
2000-present
- Diplomate, American Board of Pediatrics, #073193
2001-present (recertified 11/2008)
- Board eligible, Preventive Medicine, 7/2006
- State Medical Licensure, North Carolina, #98-00307
1999 – present
- Advanced Cardiac Life Support- recertified 2004
Pediatric Advanced Life Support- recertified 2005

Professional Society Membership

- American Academy of Pediatrics
North Carolina Pediatric Society
American College of Preventive Medicine

Honors and Awards

- 2009-** Selected for Robert Wood Johnson Foundation Physician Faculty Scholar Award, 2009-12
- 2008-** Attended AAMC Early Career Women’s Professional Development Conference, competitive selection
- 2008 National Recognition Award for Health Care Programs Addressing Childhood Obesity**, awarded at 2008 National Initiative for Children’s Healthcare Quality (NICHQ) Obesity Congress meeting. Team members: **S. Lazorick**, D. Collier, J. Olsson, K. Pratt. for “Co-locating behavioral and multidisciplinary treatment for childhood obesity at ECU” one of three programs recognized for making a difference in health disparities for childhood obesity.
- 2007-** invited and served on Expert Committee for Childhood Obesity in the State of NC
- Alumni Loyalty Merit Award**, UNC School of Medicine 1994- Award for achievement of all Honors evaluations in the 3rd year
- Senior Leadership Award**, Duke University, 1989

Committees and Professional Service:

National:

American Academy of Pediatrics- Serving 3-year term on national planning committee to review and revise the quality improvement CME program, education for QI in Pediatric Practice (eQIPP), 2007-2010

State:

Invited member, Think Tank for Childhood Obesity prevention in the school. State Board of Education, Fall 2009.

Community Care of North Carolina, a state Medicaid organization. Trainer for practices serving as pilot sites for testing the state tool kit for Identification and Management of Childhood Overweight and Obesity. January 2009.

Physical Activity and Nutrition Branch, NC DPH. Committee to establish guidelines for promotion of physical activity in NC after-school programs. Sept 2007- present.

Serving on Expert Review Panel to develop North Carolina Guidelines for the Identification and Management of Family Overweight and Obesity, 2007-2008

Eat Smart Move More State Leadership Team, 5/2007-present

Eat Smart Move More University Collaborative, 1/2007-present

Healthy Women, Healthy Weight multidisciplinary team with State Health Department staff, 7/2006-2007

Brody School of Medicine, East Carolina University:

Appointed to serve on Satellite Medical Campus Planning Committee for the Brody School of Medicine, May-June 2008

Appointed to serve on Ethics Committee for the Brody School of Medicine, Division of Community Health and Preventive Medicine, 2007-8

Search Committee for the Brody School of Medicine, Department of Family Medicine, Master's of Public Health Program, Division of Community Health and Preventive Medicine, 2007-8

Consultant:

American Academy of Pediatrics. Quality improvement and Education in Quality Improvement in Pediatric Practice (eQIPP) consultant to the planning group for development of the Bright Futures online educational module. May 2008-July 2009, consultant to the planning group for development of the Tobacco Control online educational module, Nov, 2009-Nov 2010.

Children and Adults with Attention Deficit/Hyperactivity. Volunteer evaluation consultant for Disorder (CHADD), Parent 2 Parent education program, 2006-7

Educational Activities

Academic year 2010-11

Advising: Professional paper content advisor for student in the MPH program (Rallabandi)

8/1/07 - present

Assumed role of Director of Medical Student Education in Population Health and Prevention for the Brody School of Medicine, Division of Community Health and Prevention, and as co-investigator of ongoing research to develop and evaluate the integrated curriculum for medical student education in population health and prevention.

2006-present

- Supervise residents and medical students in general pediatrics clinic, 2-3 sessions per month
- Develop and teach graduate-level course on Maternal and Child Health in the Master degree program in Public Health, Brody School of Medicine (2007-9;11)
- Teach case-based sessions on population health to 1st and 2nd year medical students (four times a year)
- Lead third-year medical student population health debriefing sessions (since 2006) and on determinants of infant mortality (started 2009-10) for the pediatric clerkship (six times a year for each session)
- Clinician trainer for the *Kids Eating Smart and Moving More* Study (in no-cost extension period) at sites across North Carolina

2007-2010 Advising: ECU: committee member for PhD student in Medical Family Therapy Program, KJ Pratt; professional paper content advisor for three students in the MPH program (Surwade '10, Fulton '09, Reynolds '09); UNC: two students content advisor for UNC MPH masters paper (Smith '07; Uy-Smith '07)

2004-2006 Improvement Advisor, Partnership for Quality project improving ADHD care in 10 American Academy of Pediatrics (AAP) State Chapters, UNC Chapel Hill, North Carolina

2000-2004 Wake AHEC Preceptor for 4th year medical students and nurse practitioner students from UNC, Chapel Hill; Benson Area Medical Center, Benson, North Carolina.

Grants

Source and ID	Project Title	Project Period	Role and Percent of Effort
<u>Pending Awards</u>			
NIH- R15 proposal	Influence of the built environment on physical activity, healthy eating, and the metabolic syndrome in rural youth' PI J. Moore	7/1/2011-6/30/2014	Co-Investigator, 5%
	Assessment of Physical activity and healthy eating in rural youth, correlates with the built environment and Metabolic Syndrome		
Research Triangle Institute and NHLBI	Clinical trial of NHLBI cardiovascular risk reduction guidelines in children	1/1/2011-6/30/2013	Site Principal Investigator, 20%
	Sub award from Research Triangle Institute and National Heart Lung and Blood Institute to evaluate implementation of a toolkit to improve dissemination of the soon to be released new clinical standards for cardiovascular risk reduction in children		
Blue Cross Blue Shield of NC Foundation	BCBSF Anniversary Grant-MATCH enhancement	11/16/2010-11/15/2011	Principal Investigator, 1%
	Enhancement and further infrastructure development of MATCH- a wellness program in 7 th graders		
<u>Current Awards</u>			
Blue Cross Blue Shield of NC Foundation	Expansion of Motivating Adolescents Through Technology to Choose HEALTH	8/1/2010-7/30/2013	Principal Investigator, 1%
	Expansion, development and evaluation of the Motivating Adolescents Through Technology to Choose HEALTH (MATCH) program into 7 schools.		
RWJ Foundation Faculty Scholar Award	MATCH Learning to Lifestyle	7/1/2009-6/30-2012	Principal Investigator, 50%
	Description: Career development award application to study the effectiveness and feasibility of a middle-school based intervention for childhood obesity		
<u>Past Awards</u>			
Blue Cross Blue Shield of NC Foundation	Continuation of Motivating Adolescents Through Technology to Choose HEALTH	8/1/2009-7/30/2010	Principal Investigator, 8%
	Expansion, development and evaluation of the Motivating Adolescents Through Technology to Choose HEALTH (MATCH) program into 5 schools with 2 control schools.		
AAMC/CDC	Integration of Population Health into Primary Care Residency Programs, Brody School of Medicine and Pitt County Memorial Hospital	1/15/2008-9/30-2010	Principal Investigator, 10%
	Description: Curriculum development to teach population health and prevention to ALL primary care residents at ECU.		
1R01 HD050981-01. UNC – subcontract from NICHD	Primary Care and Communities Tackling Obesity in Kids	8/15/2006-6/30/2010	Co-investigator, 10%
	Description: Randomized controlled trial in 24 community practices testing primary care and community strategies for childhood obesity prevention and treatment		

AAMC/CDC	Integration of Population Health into the Medical School Curriculum, Brody School of Medicine, East Carolina University	8/15/2007-9/30/2009	Co-investigator, 10%
	Description: Curriculum development to incorporate population health and prevention education to medical students at BSOM across all 4 years.		
Martin County Schools; sub-contract from Blue Cross Blue Shield of NC Foundation and State Board of Education	Motivating Adolescents Through Technology to Choose HEALTH	10/1/2008-9/30/2011	Site Principal Investigator, 20%
	Description: Subcontract to serve as evaluator and medical and obesity expert to the MATCH program. Main award will support program equipment and activities.		
HRSA-Bureau of Health Professions grant #T32-HP14001	National Research Service Award, Primary Care Research Fellowship	7/1/2004-6/30/2006	Research fellow- 100%
	Description: Provided funding for fellows to the University of North Carolina at Chapel Hill and for my salary support.		

Editorial work- Peer Reviewer

Academic Pediatrics
Maternal Child Health Journal
Journal of Public Health Management and Practice

Grant Reviewer

2007-8; 2008-9: Gillings Foundation Innovations in Public Health proposals administered by UNC School of Public Health

Fall 2007- Invited reviewer for mock review session for UNC-Chapel Hill K32 program
