

CURRICULUM VITAE

Hans H. Johnson

**Department of Health Education and Promotion
College of Health and Human Performance**

Educational Background:

University	Dates	Major	Degree
University of North Carolina	1989-1990	Non-Degree	Non-Degree
Montana State University	1973-1975	Education	Ed.D.
Montana State University	1967-1969	Sociology	M.S.
Montana State University	1961-1965	Pre-Medicine	B.S.

Administrative Appointments:

Position	Dates	Percent Time
Director of Master of Arts in Health Education, Department of Health Education, East Carolina University	2005-Present	25%
Coordinator - Internship Program; Director - Graduate Program, Department of Community Health, East Carolina University	1984-1986	25%
Acting Chief - Occupational Health and Safety Section; Director - Outreach Education Programs, Department of Environmental Health Colorado State University	1984-1986	75%
Deputy Director - Occupational Health and Safety Section; Director - Outreach Education Programs, Department of Environmental Health Colorado State University	1979-1984	100%
Project Leader - Workplace in Agriculture Program, Department of Environmental Health, Colorado State University	1978	100%

Professional Credentials: None

Professional Employment History:

Agency	Dates	Position
East Carolina University, Department of Health Education and Promotion	1999 - present	Associate Professor
East Carolina University, Department of Family Medicine, Master of Public Health Program, Brody School of Medicine	2005-present	Adjunct Professor
N.C. Department of Health and Human Services	1991-1999	Health Education/Healthy Carolinians Consultant
N.C. Department of Environment, Health,	1989-1990	Volunteer

and Natural Resources - Center for Health and Environmental Statistics East Carolina University, Department of Community Health	1986-1989	Assistant Professor; Coordinator - Internship Program; Director - Graduate Program
Colorado State University, Department of Environmental Health	1984-1986	Assistant Professor; Acting Chief - Occupational Health and Safety Section; Director - Outreach Education Programs
Colorado State University, Department of Environmental Health	1979-1984	Extension Specialist; Deputy Director - Occupational Health and Safety Section; Director - Outreach Education Programs
Colorado State University, Department of Environmental Health	1978	Extension Specialist; Project Leader - Workplace in Agriculture Program
Northwest Regional Educational Laboratory	1974-1976	Researcher/Writer
Peace Corps (Belize, Central America)	1970-1972	Science/Math Instructor
Peace Corps (Somalia, Africa)	1965-1967	Science/Math Instructor

Major research/Professional Interests:

1. Community-based approaches to health education and health promotion
2. Community involvement and collaboration in public health action
3. Health education and community health promotion program evaluation and quality assurance methods and procedures
4. Small group facilitation

Research Grants/Contracts
