Contract awarded to Florida State University, Center for Human Services Policy and Administration. Co-Investigator. 11/86 – 12/87.

State of Florida, Department of Health and Rehabilitative Services, Office of Emergency Medical Services. "Development of a Model Trauma Registry." \$15,000. Contract awarded to Florida State University Center for Human Services Policy and Administration. Co-Investigator. 10/87 – 2/88.

State of Florida and Hospital Cost Containment Board. "The Cost of Trauma Care in Florida." \$108,000. Contract awarded to Florida State University Center for Human Services Policy and Administration. Co-Investigator. 2/88 – 1/89.

Kate B. Reynolds Health Care Trust. "Evaluation of the Effectiveness and Cost of Alternative Protocols for Improving Compliance with Referral Advice Given to Hypertensive Patients." \$24,000. Principal Investigator. 1990.

Agency for Health Care Policy and Research. "The Impact of Specialty on Cesarean Section Rates." \$299,778. A multi-center investigation. William Hueston, Principal Investigator. Site Director, \$31,684 subcontract. 1992 - 1993.

North Carolina Department of Human Resources, Department of Emergency Medical Services. "Emergency Medical Services - Children: Primary Care Provider Information Survey." \$19,009. Principal Investigator. 2/96 – 1/97.

North Carolina Department of Human Resources, Department of Emergency Medical Services. "Emergency Medical Services - Children: An Evaluation of Training to Increase Medical Office Preparedness for Pediatric Emergencies." \$17,937. Principal Investigator. 3/97 – 12/97.

University of North Carolina at Chapel Hill. Increasing mammography referral through improved patient-physician communication. \$92,012. Subcontract from Koomen Cancer Institute. Site administrator. 7/98 – 6/99.

Environmental Systems Research Institute, Inc. Livable Communities Grant. Software and training valued at \$7,500. Principal Investigator. 11/99.

HealthAssist. Community Access Program awarded to North Carolina Office of Research, Demonstrations, and Rural Health Development and the Pitt County Indigent Care Committee by the US Department of Health and Human Services. \$940,000. Co-author of application. 9/00.

SAS Corporation and University of North Carolina. Medical Database Development. Co-investigator. Software and consultation valued at \$54,000. 5/01 – 5/04.

HRSA. Family Medicine Health Disparities Grant. \$13,760. Subcontract. 9/01 – 8/02.

HRSA. Family Medicine Health Disparities Grant. \$10,000. Subcontract. 9/02 – 8/03.

Greene County Health Department, \$8,000. Healthy Carolinians – Community health assessment, plan, and application for certification. Service. 01/02 - 8/02.

Centers for Disease Control / University of North Carolina at Chapel Hill. North Carolina Collaborative Stroke Registry. Subagreement. \$5,750. 09/02 – 05/03.

Centers for Disease Control / University of North Carolina at Chapel Hill. Development of Prototypes for the Paul Coverdell National Acute Stroke Registry. Subagreement. \$27,186. 06/03 – 05/04.

Beaufort County Health Department / ECU Department of Health Education and Promotion. Healthy Carolinians Community Health Assessment. Subagreement. \$5,700. 01/03 12-04.

UNC Health Initiative. UNC – General Administration. Subagreement. \$20,000. 06/05 – 05/06

North Carolina Community Health Center Association. Contract. Development of a Certificate Program in Community Health Center Administration. \$50,000. Co-PI with Elizabeth Layman, Department of Health Services and Information Management. 04/09 – 06/11

Participation in Internally Funded Research:

East Carolina University. "Effect of Manner of Birth on Otitis Media." \$2,400. Principal Investigator. 1990.

Grant Applications Approved But Not Funded:

"Collaborative Health Initiative Linking Demonstration (CHILD): A consortium approach to child health promotion and disease prevention in rural eastern North Carolina, linking school, health department, university and cooperative extension service resources." \$889,720. Department of Health and Human Services, PHS, HRSA. 1991. Principal Investigator.

Grant Applications Not Approved:

"UNC-CH/ECU proposal to be a Vanguard Clinical Center for the Clinical Trial and Observational Study of the Women's Health Initiative." NIH-WH-92-19-E. \$6,910,000. Submitted to the National Institute of Health. 1993. Co-I. David Sheps, PI.

"Patient Expectations in Obstetrics," Site Director, \$177,607 for site. Agency for Health Care Policy and Research. 1995. W.J. Hueston, PI.

"East Carolina Partnership for Health Improvement." Robert Wood Johnson/W.K. Kellogg Foundation, *Turning Point: Collaboration for a New Century in Public Health*. Selected for site visit. \$60,000. 1997.

"Collaborator Qualifications - Pitt Partners for Health et al." Response to request for qualifications by W.K. Kellogg Foundation. "Community Voices - HealthCare for the Underserved - A National Demonstration of Local Visionary Models." Selected for site visit. \$2,500,000 to \$5,000,000. 1998.

Kate B. Reynolds Health Care Trust. \$519,488. For assistance with start-up costs of the Master of Public Health program.

National Institute of Health, National Center for Minority Health and Health Disparities. \$1,049,948. To create a Rural Eastern Carolina Center on Minority Health and Health Disparities. Co-Principal Investigator. Submitted 5/23/02.

Department of Health and Human Services, Offices of the Secretary, Public Health, Minority Health. \$726,736. Eastern NC Stroke Elimination Initiative: An Enabling Ring of County Health Departments, Safety Net Providers, Major Hospitals, Healthy Carolinians Task Forces/Community Partners, and East Carolina University. Co-investigator. Submitted 6/15/04.

North Carolina Community Health Center Association. \$50,000. Establish Certificate Program in Community Health Center Administration. 4/1/2009 – 3/31/2011. Principal Investigator.

Grant Applications Pending:

Committees:

Division of Health Sciences

Rural Health Group, Health Sciences Division, 1990-1991.

Chair, Strategic Planning Committee, 1993 - 2002.

Co-chair, Workforce Planning Workgroup, 2001 –2002.

School of Medicine:

School of Medicine, Clinical Chairs Committee (ad hoc member), 1991 -1996.

Rural Health Task Force, Department of Family Medicine, 1992-1993.

Bioethics Center, Steering Committee, 1993.

Family Medicine Library Committee, 1994 - 1995.

Basic Science and Educational Support Programs Computer Steering Committee, 1994–1996, 1997-1998.

Strategic Planning Committee, Chair, 1994 - 1998.

Search Committee for Associate Dean for Research and Graduate Studies, 1995.

Teaching with Multimedia Committee, 1995.

Community Medicine Steering Committee, Department of Family Medicine, 1997

Rural Health Committee, 1997-1998.

Department of Family Medicine, Executive Committee, 2003 - 2006.

Graduate Studies Committee, 2003 –2005.

Invitational Workshop on the Measurement of Medical Underservice. U. S. Department of Health and Human Services, Health Resources and Services Administration, Bureau of Primary Health Care. March 27-28, 2000.
Association of Teachers of Preventive Medicine, Council of Graduate Programs in Public Health 7/1/04 – 5/28/05

Administrative Activities:

Director, Graduate Studies, Department of Community Health, School of Allied Health Sciences, East Carolina University, 1988 - 1992.
Acting Director, Center for Health Services Research and Development, East Carolina University, 1990 - 1992.

Director, Center for Health Services Research and Development, East Carolina University, 1992
- present.

Acting Director, Master of Public Health Program, Division of Community Health and
Preventive Medicine, Department of Family Medicine, Brody School of Medicine, East
Carolina University, 2002 – 2005.

Interim Co-Director, Center for Health Disparities Research, 2008 – present.

Teaching Activities:

Undergraduate teaching including lectures, conferences, laboratories, student advising and
student preceptorships offered.

Courses:

Introduction to Public Administration. PAD 3003. Florida State University. (1987 Su, 1988
Sp).

Directed individual study, Davidson pre-med student. (1993 Su).

Health Care Reform. East Carolina University, Future Doctor's program, premedical
students. (1993 Su, 1994 Su, 1995 Su).

The US Health Care System. East Carolina University, Future Doctor's program, premedical
students. (1996 Su, 1997 Su, 1998 Su, 1999 Su, 2000 Su, 2001 Su, 2002 Su).

Lectures:

Health Behavior. HLTH 3030. Determinants of health. (2000 Sp)

Social Epidemiology. SOCI 3327. Introduction to Medical Sociology. (F 1999)

Internships supervised - BA Health Education candidates at:

Beaufort County Hospital, 1989.

ECU Student Health Services, 1990.

Greene County Health Department, 1990.

Harnett County Health Department, 1990.

Pitt County Memorial Hospital, 1990.

Internships supervised – BS/BA Sociology students:

Rebecca Allen. Center for Health Services Research and Development. 2002, S.

Amanda McLaurin. Center for Health Services Research and Development. 2002, Su.

Angel Brantley. Center for Health Services Research and Development. 2002, F.

Kristin McGinty. Center for Health Services Research and Development. 2003, S.

Honors Thesis Committees

Angel Brantley. Sociology. Life or Death: The Influence of Rescue Training and Geographic
Location on Trauma Mortality. (2003 Sp)

Rebecca Allen. Sociology. Conceptualizing Health and Wellness: A Qualitative Study of
University Students; Conceptions of Health and Wellness. (2003 Sp)

Postgraduate teaching including clinical teaching and continuing medical education.

Lecture - Cost-effectiveness in clinical practice. For Internal Medicine PGY2. (1993 F).

Lecture - Epidemiology of health in eastern North Carolina. For Family Medicine PGY2. (1994 F, 1995 F, 1996 S, 1997 S, 1998 S, 1999 S, 2000 F).

Lecture – Health disparities. Family Medicine residents. (2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009).

Grand Rounds. BSOM Department of Family Medicine. Circumcision: Maternal and provider characteristics associated with a controversial procedure. (1994 F).

Grand Rounds. BSOM Department of Obstetrics and Gynecology. Factors Affecting Cesarean Section. (1995 S).

Grand Rounds. BSOM Department of Family Medicine. Factors Affecting Cesarean Section. (1995 F).

Family Medicine Grand Rounds: Pediatric Emergencies in the Physician's Office. With Karen Frush, MD. (1999 S).

Seminar - Principles and Concepts of Health Services Research for Geriatric Fellows (1998, 1999, 2000, 2001).

Discussant – Of a scholarly presentation given Kathleen Cox, Assistant Professor of Nursing, on "Perspectives on Distributive Justice and Access to Health Care: A Conceptual Framework". ECU School of Nursing Distinguished Lecture Series. January 14, 2000.

Lecture – General Internal Medicine Research Meeting. Availability of Medical Care as a Predictor of Premature Mortality in the United States: Implications for UHSEC and Medical Education. 10/5/99.

Lecture - ECU Chapter of Student National Medical Association. Health Disparities in North Carolina. 11/28/00.

Lecture – Research using existing data. Family Medicine Fellows. 1/25/02.

Lecture – What is Rural Health? BSOM Student Rural Health Interest Group. 8/29/02.

Lecture – Health Disparities in Eastern North Carolina: dimensions, trends, and a framework for analysis that may help us understand the role of race and ethnicity in health. Student National Medical Association, Brody School of Medicine. 2/10/03

Grand Rounds. BSOM Department of Obstetrics and Gynecology. 'Health Disparities in Eastern North Carolina and a Framework for Their Elimination.' March 12, 2008

Nephrology Research Conference, BSOM Department of Internal Medicine. Conceptualizing and operationalizing research, interpreting inferential statistics, and power calculations, September 3, 2008

Grand Rounds. BSOM Department of Family Medicine. Health Disparities in Eastern North Carolina and a Framework for Action to Eliminate Them. December 4, 2008.

Workshop - Mining Existing Data for Publication. Office of Academic and Faculty Development Medical Writing Series, February 17, 2009

Lecture. Major Health Challenges in Eastern North Carolina: Opportunities and Obligations for Clinical, Translational, and Basic Research. Brody School of Medicine, East Carolina University Heart and Metabolic Institutes, Research Think Tank. March 18, 2009

Graduate Teaching at the masters and doctoral level including thesis supervision and graduate student committee membership:

Courses:

Health Care Trends and Issues. COHE6400. East Carolina University. (1988 F, 1989 Su).

Health Administration. COHE6100. East Carolina University. (1989 F, 1990 S, 1991 S, 1992 S).

Health Law. COHE6300. East Carolina University. (1990 S, 1991 S, 1992 S).

Health Policy. COHE/NURS6971. East Carolina University, Co-taught with nursing faculty. (1990 F, 1991 F, 1992 F, 1993 F, 1998 F, 1999 F).

Health Care Systems and Problems. COHE6000. East Carolina University. (1991 F, 1992 F, 1998 Su).

Directed Individual Study. NURS 6501. Benchmarking military health outcomes using civilian health objectives. Kane and Stobinski. (2000, F)

Public Health Practice. MPH6000. East Carolina University. (2003 F, 2004 S, 2004 F, 2005 S).

Research Methods for Public Health. MPH 6020. East Carolina University. (2004 S, 2004 F, 2005 S, 2005 Su, 2006 S, 2006 F, 2007 S, 2007 F, 2008 S, 2008 F, 2009 S).

Independent Study. MPH 6052. East Carolina University. Couch, Moseley, Cox. (2007 F).

Professional Paper Proposal. MPH 6991/6992. Swinson, Conway, Gwaltney, Schiller (2007 F). Couch (2008 Su). Fulton, Maguire, Albritton, Wollard (2009 S).

M-4 Selective. IDS992 Health Policy in Emergency Medicine. Virginia Stewart. (2008 S)

Lectures:

Health Care Problems in eastern North Carolina. M-2. Ethical and Social Issues in Health. School of Medicine, East Carolina University. (1993 F).

Cost Containment in Health Care. M-2. Ethical and Social Issues in Health. School of Medicine, East Carolina University. (1993 F).

Epidemiology of health in eastern North Carolina. COHE 6000. Health Care Systems and Problems. East Carolina University. (1994 F, 1996 S, 1997 S).

Economics as a tool for health policy. NURS/COHE 6971. Health Policy. East Carolina University. (1994 F, 1995 F, 1996 F).

Administrative Roles and Behavior. COHE 6100. Health Administration. East Carolina University. (1997 S).

Motivation. COHE 6100. Health Administration. East Carolina University. (1997 S).

Leadership. COHE 6100. Health Administration. East Carolina University. (1997 S).

Organization Design. COHE 6100. Health Administration. East Carolina University. (1997 S).

Health Care Cost Containment. COHE 6000. Health Care Systems and Problems. East Carolina University. (1997 S).

Causes of health and disease. SOCI 5200. Seminar on Sociology and Health. (1997 S, 1997 F).

Introduction to Evidence-Based Medicine for Nurse Practitioners. NURS 6994. Research Methods for Advanced Nursing. (1999 F).

Definitions, determinants and measures of health. NURS 6971. Health Policy. (2000 F).

Economics of health. NURS 6971. Health Policy. (2000 F, 2001 F, 2002 F).

Health disparities in Eastern North Carolina: dimensions, trends, and framework for analysis that should help us understand *why some people are healthy and others are not*. NURS 6208. Concepts of Health Promotion and Disease Prevention. (2001 F, 2002 F).

Research using existing data. Research Module Family Medicine Fellowship Program. (2001, 2002, 2003, 2004).

Internships supervised - MPA students:

David Thompson. Nash County Health Department. 1989.

Maureen Emery. Pitt County Adolescent Health Initiative. 1990.

Cindy Coker. Chowan Hospital. 1992.

Alice Lee-Elmore. Lenoir County Health Department. 1992.

Kimberly Corcoran. Adventures in Health Children's Museum. 1992.

Regina R. Urmanova. Center for Health Services Research and Development. 2006.

Graduate research supervised:

Sociology MA:

Kim Hack. Investigation of Need for a "Hope Lodge" at the Leo Jenkins Cancer Center. 1996 - 1997.

MPH Graduate Assistants:

Michael Gwaltney, 2003-2004.
Luke Schwankl, 2003-2004.
Mekia Barclift, 2003-2004.
Kristen McGinty, 2004-2005.
Brian Burkhart, 2004-2005.
Heather Maloney, 2005-2006.
Constance Mason, 2005-2006.
Tanya Sanders, 2006-2007.
Bradford Wheeler, 2006-2007.
Elizabeth Baker, 2007-2008.
Brian Loveland, 2009-2009.

Medical students:

Heather Scoggins. Rural Health Care Access and the Impact of the Cancer Center Outreach Clinics. 1996 - 1997.

Mentoring Family Medicine Fellows in Research:

Merideth Richmond, Tandika Hix, Jorge Rodriques. 2002.

Doctoral instruction and examination:

Patrice Alexander. (1991). Comprehensive examination for admission to Candidacy for the PhD degree in Psychology at North Carolina State University. Committee member.

Doctoral dissertation committees:

Patrice Alexander. (1992). "Employee Assistance Program Utilization for Substance Abuse Problems and its Association with Organizational Variables and Employee Perception of Organizational Climate." Committee Member.

Master's thesis direction:

Catherine Nelson. (1990). "Developing Innovative Approaches for the Implementation of Elementary School Dental Health Programs in Edgecombe County." Major Professional Paper required for the MPA degree. Committee member.

Maureen Emery. (1991). "Alternatives for HIV Screening of Health Care Personnel in an Institutional Setting." Major Professional Paper required for the MPA degree. Committee Chair.

Curriculum Development including materials produced, research on teaching methodology, and outside consultation provided on medical and graduate education:

Guidelines for Community Health Administration Internships in the MPA Program. East Carolina University. 1989.

Brochure describing Graduate Study in Community Health Administration at East Carolina University. 1990.

Proposal for a Rural Health Institute at East Carolina University. 1990.

Plan for the Center for Health Services Research and Development. East Carolina University. 1991.

Guidelines for award of resources for multi-media teaching. 1996.

Request for Permission to Plan a New MPH Degree. With Trenton Davis and MPH Planning Committee. 1999.

Assessment of Demand for Graduates with a Master of Public Health Degree from East Carolina University. With C. Kendrick Dunham. 1999.

Charge to Public Health Program Advisory Board. 1999.

A Business Plan for the Development of a Master of Public Health Degree at East Carolina University. 1999.

Objectives, Principles, and Strategies of Collaboration between the University of North Carolina at Chapel Hill and East Carolina University for Offering an Inter-Institutional Master of Public Health Degree. 2000.

Request for Permission to Establish a New MPH Degree. With Trenton Davis and MPH Planning Committee. 2001.

Workbook. Mortality Surveillance Using Census and Vital Statistics Data. 2008.

Certificate Program in Community Health Center Administration. 2010.

Self-Development as a teacher (e.g. attendance at teaching workshops):

Peer Evaluation Workshop. East Carolina University, School of Medicine. 1992.

Postgraduate Education:

115th Annual Meeting of the American Public Health Association, New Orleans, LA. 1987.

19th Annual Southeastern Conference of the American Society for Public Administration, New Orleans, LA. 1987.

116th Annual Meeting of the American Public Health Association, Boston, MA. 1988.

50th Conference of the American Society for Public Administration, Miami, FL. 1989.

Invitational Conference on Health Services Research, Agency for Health Care Policy and Research, Chapel Hill, NC. 1990.

52nd Conference of the American Society for Public Administration, Washington, DC. 1991.

Third Primary Care Conference, Agency for Health Care Policy and Research, Atlanta, GA. 1992.

National Conference of the Association of University Programs in Health Administration, Washington, DC. 1993.

Annual Conference of National Rural Health Association, Kansas City, MO. 1993.

10th Annual Meeting of the Association for Health Services Research, Washington, DC. 1993.

North American Primary Care Research Group. San Diego, CA. 1993.

National Rural Health Association, Conference on Federal and State Health Care Reform Legislation, Des Moines, IA. 1993.

National Conference of the Association of University Programs in Health Administration, San Diego, CA. 1994.

11th Annual Meeting of the Association for Health Services Research, San Diego, CA. 1994.

North American Primary Care Research Group, Toronto, Ontario, Canada. 1994.

122nd Annual Meeting of the American Public Health Association, Washington, DC. 1994.

Annual Conference of National Rural Health Association, Atlanta, GA. 1995.

Enhancing Intermediate Statistical Skill, for Research and Instruction, Faculty Development Workshop, East Carolina University. 1995.

National Conference of the Association of University Programs in Health Administration, Chicago, IL. 1995.

12th Annual Meeting of the Association for Health Services Research, Chicago, IL. 1995.

North American Primary Care Research Group, Houston, TX. 1995.

Taking Evidence-Based Medicine into the Future: Disseminating new knowledge by creating informed consumers of medical information. University of Texas-Houston Medical School. November 8, 1995.

Conference on Using Health Services Research to Improve Plan Performance, American Association of Health Plans and Agency for Health Care Policy and Research, San Diego, CA. 1996.

Methods for Patient-based Assessments. A four-hour course conducted by John E. Ware. Sponsored by the Medical Outcomes Trust. Boston, MA. 1996.

State-of-the-Art Health Outcomes Conference. Medical Outcomes Trust. Boston, MA. 1996.

13th Annual Meeting of the Association for Health Services Research, Atlanta, GA. 1996.

North American Primary Care Research Group, Vancouver, BC. 1996.

Integrated Requirements Model for Estimating the Need for PAs, NPs, CNMs, and Physicians. US Department of Health and Human Services. Bureau of Health Professions. Ann Arbor, MI. 1997.

Association of University Programs in Health Administration, Chicago, IL. 1997.

14th Annual Meeting of the Association for Health Services Research, Chicago, IL. 1997.

125th Annual Meeting of the American Public Health Association, Indianapolis, IN. 1997.

North American Primary Care Research Group, Orlando, FL. 1997.

North American Primary Care Research Group, Montreal, Canada, 1998.

126th Annual Meeting of the American Public Health Association, Washington, DC. 1998.

National Conference of the Association of University Programs in Health Administration, Chicago, IL. 1999.

16th Annual Meeting of the Association for Health Services Research, Chicago, IL. 1999.

127th Annual Meeting of the American Public Health Association, Chicago, IL. 1999.

128th Annual Meeting of the American Public Health Association, Boston, MA. 2000.

First National Health Policy Conference: Critical Issues for a New Administration. Sponsored by Academy for Health Services Research and Health Policy and Health Affairs, the Policy Journal of the Health Sphere. February 1-2, 2001.

24th Annual Minority Health Conference. University of North Carolina School of Public Health. Chapel Hill, NC. March 1, 2001.

129th Annual Meeting of the American Public Health Association. Atlanta, GA. 2001.

130th Annual Meeting of the American Public Health Association. Philadelphia, PA. 2002.

Education Training for Protection of Human Subjects. Collaborative IRB Training Initiative. University and Medical Center Institutional Review Board, East Carolina University. September 9, 2002. December 26, 2007.

131st Annual Meeting of the American Public Health Association. San Francisco, CA. 2003.

132nd Annual Meeting of the American Public Health Association. Washington, DC. 2004.

133rd Annual Meeting of the American Public Health Association. Philadelphia, PA. 2005.

134th Annual Meeting of the American Public Health Association. Boston, MA. 2006.

135th Annual Meeting of the American Public Health Association. Washington, DC. 2007.

136th Annual Meeting of the American Public Health Association. San Diego, CA. 2008.

Research Activities and Interests:

Relationship between nonclinical factors, primary medical care, and premature mortality.

Measurement of disparities and changes in population health status.

Measures of health, health risk factors, health outcomes, health disparities.

Role of religious faith in healing.

Health system reform.
