

ALS Recertification Checklist

All EMT-I's and EMT-P's must complete all of the following mandatory topics noted below in an ALS Continuing Education Class. These topics cannot be met in the BLS Continuing Education Program.

Airway and Ventilation	Pharmacology
Trauma	Pediatric Emergencies
Endocrine Emergencies	Respiratory Emergencies
Cardiovascular Emergencies	Anaphylaxis
ALS Skills Review	

All EMT-D's and EMT-I's must complete the Defibrillation (SAED) skill review every year.

All EMT-D's must attend the following ALS Continuing Education classes once in their 4-year certification period:

Cardiovascular Emergencies (2 hours of lecture)
General Pharmacology (1 hour of lecture)

Comparison of Pitt County BLS CE Topics & ALS CE Topics

(All ALS CE topics below are mandatory and required once in a 4-year certification period.)

ALS CE Topic

BLS CE TOPIC

Prehospital Environment

MC-11 Legal Aspects of Emergency Care
MC-13 Lifting, Moving, Patient Handling
MC-14 Disaster Operations
MC-78 Documentation

EMS Vehicle Operations

MC-12 Ambulance Operations

Assessment

MC-21 Anatomy and Physiology
MC-22 Patient Assessment
MC-23 Shock
MC-31 Trauma Patient Assessment
MC-32 Immediate Life-Threatening Injuries

Trauma

MC-34 Burns
MC-35 Trauma Skills Lab

Respiratory

MC-41 Respiratory Systems
MC-42 Rescue Breathing
MC-43 Obstructed Airway
MC-49 Respiratory Emergencies

CNS/Geriatrics

MC-44 Circulatory Systems

Airway & Ventilation

MC-46 Airway Adjuncts
MC-47 Airway Adjuncts Lab

Cardiovascular Emergencies

MC-48 Cardiac Emergencies

Environmental Emergencies; Tox/Alcohol/Drug Abuse; Endocrine Emergencies

MC-410 Medical Emergencies

ALS CE TOPIC

BLS CE TOPIC

Communicable Disease

MC-411 Communicable Disease

OB/GYN/Neonate

MC-51 Obstetrical/Neonate Management

Behavioral Emergencies

MC-61 Emotional Crisis

MC-62 Abused Patients

Stress Management

The EMT and Stress

Pediatrics

MC-71 Ped CPR

MC-72 Ped Altered Levels of Consciousness

MC-73 Ped Trauma

MC-74 Ped Child Abuse

MC-75 Ped Newborn

MC-76 Ped Assessment and Evaluation

MC-79 Ped Shock

Defibrillation

MC-77 Defibrillation (EMT-D)

Those BLS CE topics that begin with an "LO" are optional continuing education hours. These topics are NOT mandatory.

LO-01 Lowering from Heights
LO-04 Search and Rescue
LO-06 Hospital Involvement in BLS
LO-07 Knots and Knot Tying
LO-19 Principles of Extrication
LO-20 CEVO

(Revised 8/99)jp
