Drs. Akula, Lemasson, and Polakowski will choose papers for students to present for the classes they lead.

Students will choose their own papers for the classes led by Drs. Roper and Malur.

Papers must be copied and distributed by the students the week before.

Quality manuscripts may be found in PubMed journals including the following:

J Virol, J Gen Virol, Virology, PNAS, Blood, Cell, Science, Nature, EMBO, J Exp Med, J Immunol, J Biol Chem. Students should clear the choice of manuscript with Drs. Roper or Malur at least one week before the paper is distributed.
