Style and Format of Abstracts

1. Abstract Style:

Abstracts should be short, clear, concise and written in English with correct spelling and good sentence structure. Mathematical symbols and equations must be typed in, and metric symbols should be used. **Figures should not be included!**

2. Abstract Format:

Format for the printed version of Abstract Publications (Hard Copy Mailing)

Type Face: Times New Roman
Type Size: 12 points justified
Line spacing: 1
Style: justified

3. Abstract Layout:

INVESTIGATION OF ABC ACTIVITY IN THE BRAIN

A. Aman\textsuperscript{1}, B. Bman\textsuperscript{1,2}, C. Cman\textsuperscript{2}
\textsuperscript{1}Institute for Neuroscience, \textsuperscript{2}University of Greenville, Greenville, NC 27834
Follow this example in preparing your abstract. (1) Type title of contribution in capital letters and in bold (optional). (2) Leave one blank line after the title block. (3) Type author(s) followed directly by abbreviation (number/symbol) of corresponding affiliation. Type corresponding affiliations in next line. (4) Leave one blank line after the author- and- affiliation block. (5) Type text of abstract flush left and right (justified). (6) Leave one blank line. (7) Type acknowledgements/sponsors.

This study was supported by ABC grant #123456 to C. Cman.

4. The deadline for Abstract Submission is Monday, October 16th at 5:00 pm. Only electronic submissions will be accepted. Please email your abstract of no more than 350 words to neuroscience@ecu.edu. Acceptance notifications will be made the last week of October.

Questions concerning the meeting can be directed to the Program Chairs: Alex Murashov, MD, PhD (murashoval@ecu.edu) or Abdel Abdel-Rahman, Ph.D. (abdelrahmana@ecu.edu)
