

## **Alli (Carstens) Hobbs**

Alli graduated in 2000 and she is currently living in Charlotte with her husband Ben. Since graduating, her greatest accomplishment has been running three full marathons and three half marathons. She is currently working at Cyzner Institute (school and outpatient pediatric facility) and has mainly worked in pediatric outpatient. Other experience includes the school systems, inpatient rehabilitation, nursing homes, LTAC, and adult outpatient. Her specialty areas are sensory integration therapy, and visual perception. She finds joy working everyday in seeing the children she works with learn new skills. Alli's hobbies are running, mountain biking with her husband and hanging out with her three dogs and her former classmate Lisa who lives near her. In the future she wants to start raising a family.
