

Christina Shaffer (1994) lives in Jamestown, NC. She has been employed with Moses Cone Health Systems in Greensboro since graduation and is now a senior therapist and the clinical education coordinator. Her specialty areas include: stroke and spinal cord injury and she has an interest in geriatrics. Christina is NDT trained and is applying to graduate school at UNC Greensboro for a Master's in gerontology. She is married and has a 20-year old son who is in the Air Force. In her free time she likes to play tennis, go camping, canoeing, and backpacking. She also likes to spend time with her cat and read books.
