

Erin (Hunt) Gist

Erin graduated in 2003 and is currently living in Lumberton, NC. She is married to Bryan and they have one child, Makena. Her fondest class memory was leading a simulated group (5 stage group—apple theme) in Betsy Daniel’s class with the “elder population with dementia” and one of her classmates really took on the role and bit the apple as it was being passed around! Her greatest accomplishment since graduating is having Makena and loving her job. She is currently working at Hoke County Schools as Lead OT. She previously worked with a contract company at 2 SNFs. Her specialty area in pediatrics and she is attempting to get more CEUs on sensory based topics. She loves her job and says that the kids do the most adorable things. One memory in particular was a student with AU (consultative) and out of no where he says “Mrs. Erin, I love you” and continues on with whatever he is doing. It’s moments like those that touch Erin’s heart. While not at work she enjoys being with her five month old.
