

## **Katherine (Shoffner) Oelberg**

Katherine graduated in 1976 and currently resides in Boone, NC. She is married to Bob and they have two children. Her fondest school memory is the support she received from everyone in her class and the many laughs that they shared. Her greatest accomplishment has been a single mother for twelve years raising two wonderful, successful children. She is currently working at CDSA of the Blue Ridge. Some of the types of jobs that she has had since graduation are: Geriatrics, School System, Acute Care, Adult Rehab, and Early Intervention. Her specialty areas are pediatrics and early intervention. It has been exciting, interesting, and delightful working in the Blue Ridge Mountains, with the people in this culture. Katherine's hobbies are hiking, gardening, beading, and Scottish Country Dancing. In the future she would like to become an artist and do some overseas volunteer work.
