

Open House

Wednesday, September 23, 6:00-7:30pm

Want to learn more about the
**Occupational
Therapy
Master's
Program?**

Information about ECU's master of science in occupational therapy program, the specifics as to how to apply, and a tour of the facility will be provided. All students considering the occupational therapy program are encouraged to attend.

**Health Sciences Building
Room 3325**
