Department of Public Health Grand Rounds
“Community-based approaches to promote physical activity in youth: Lost in translation”

Justin B. Moore, PhD, MS, FACSM
Assistant Professor
Department of Health Promotion, Education, & Behavior
Arnold School of Public Health
University of South Carolina

March 5, 2013
5:30-6:30 pm
Brody Auditorium

Objectives:

- To describe best practices for promotion of physical activity in youth.
- To identify barriers to implementation and dissemination of evidence-based practices to promote physical activity in youth.
- To highlight areas for future research and practice for the promotion of physical activity in youth.
