Executive Summary

The Master of Public Health Program (MPH) in the Department of Public Health (DPH), at the Brody School of Medicine (BSOM), East Carolina University (ECU), is accredited by the Council on Education for Public Health (CEPH). This program manual is intended for use by students as they consider application for admission, selection of curriculum, and completion of requirements for the Master of Public Health (MPH) degree. This degree requires 45 semester hours (SH), of which 24 are core courses, 15 concentration/elective hours, three semester hours of internship and three semester hours for professional paper.

Face-to-face classes are offered once per week for three hours in the late afternoon or evenings. The program is available online effective Fall 2019.

Additional program information is available in the program page at http://www.ecu.edu/publichealth

This manual is also a compilation of philosophy, policies, and procedures of the MPH Program. This manual supplements policies, procedures, and requirements of the ECU Graduate School. Applications to this program must be submitted through the ECU Graduate School. Although this manual contains the most pertinent information, students need to be familiar with the ECU Graduate School Catalog because in case of conflict, policies of the ECU Graduate School take precedence over policies in this manual.

The ECU Public Health, MPH Graduate School Catalog is available here.

Students adhere to the version of the catalog in effect at the time of matriculation. The DPH reserves the right to add, delete, or modify all provisions in this manual.
