3.7 Registering for Classes. At the beginning of the program, each student meets with the academic advisor to map out a course plan, based on the anticipated graduation date.

Students do not register for courses themselves; the Student Services Coordinator completes registration for each student in BANNER for each term. The registration process is as follows:

- The Student Services Coordinator emails the student (copies academic advisor) a Registration Request Form and MPH Course Schedule, prior to Early Registration each semester
- The student confers with academic advisor, completes and returns the Registration Request Form to Student Services Coordinator

The form is completed in late October (for spring) and late March (for summer and fall).
