Spring Admission

If you are a part-time student and are combining other life responsibilities with your degree work, you will take two courses maximum per semester.

The MLS Program faculty are committed to providing these courses in this sequence so that you can move consistently toward graduation.

The plan below will allow you to finish your degree in 7 semesters by taking two courses each semester

If you step off of this plan (for any reason), your graduation may be delayed beyond 7 semesters.
