- **Howell Center,** Contact Robin McIntyre, 758-1101. Help with severely and profoundly disabled children.
- **Project Heart,** Dr. Betty Beacham, Director. AmeriCorp Recruitment Office, East Carolina University. 328-4357.

At the Winter 2002 initiation ceremony, Kadelpians, Brett Lanier and Emily Rankin told their story about community service through Project Heart. In talking with Brett, I learned that she had been serving at Wintergreen Intermediate School tutoring 3rd and 4th grade students who were failing EOG tests for reading and math. In addition to Project Heart, Brett has served in many areas including volunteer work with the Salvation Army and as a lay leader with her husband at Grace Covenant Church. She and her husband Kyle traveled to Goiania and Uber Landia, Brazil where they "met with the teenagers twice a week for two years to give them activities to do and to have a time to talk about what was troubling them."

Serving is learning. Take advantage of these opportunities.
