Question 1.6.1 – What assessment data for Other School Personnel other than licensure exams can be provided for the team onsite for all programs?

At East Carolina University, the following degree programs fall into the Other School Personnel Programs category with CAEP (NCATE):

1. Educational Administration and Supervision (EDS)
2. Educational Leadership, K-12 (EdD)
3. Educational Leadership, School Principal (MSA)
4. School Counselor (MS)
5. School Psychologist (MA)
6. School Social Worker (BSW, MSW)
7. Instructional Technology Education (MAED)
8. Media Coordinator (MLS)
9. Speech-Language Pathologist (MS, AuD)
10. Drivers Education (add on certification) – not a degree program

Assessment data for these degree programs, other than licensure exams, is available in various forms. All degree and certificate programs at ECU are required to have unit assessment reports completed annually. As noted in Section 2.1 of the Institutional Report under the section on Use of Data for Program Improvement. Samples of annual unit assessment reports for all Other School Personnel Programs are linked below:
