4.4.g – Data table on demographics of P-12 students in schools used for clinical practice. If not available through PEDS report, see Appendix C of the TI Exhibit List for an example.

The ECU EPP developed dashboards to illustrate the diversity of the P-12 school settings in which candidates complete field experiences and clinical practice. Data is available through the links listed below.

- **P-12 Student Profile Dashboard**

**Appendix C** provides relevant data about racial and/or ethnic diversity, as well as other diversity elements in the P-12 school settings in which candidates are placed for field experiences and clinical practice.
