

Do you know a student with a learning disability who could be successful in college with the right support? If so...

You're invited to an Open House for Project STEPP at East Carolina University!

- ◆ Project STEPP is a comprehensive support program at ECU designed to assist a small group of students with documented specific learning disabilities as they navigate the university experience.
- ◆ We provide intensive academic, social, and life-skills supports that go well beyond the services legally required at the university level to help our students earn a college degree in the major of their choice.
- ◆ In conjunction with ECU's Fall Open House, we're inviting students, parents, and educators to join us to learn more about Project STEPP.
- ◆ Does this sound like it could help anyone you know? Please pass this information on to any colleagues, students, and/or families who may be interested!

Saturday, April 14, 2012

9:30 am - Noon

Visit the Project STEPP booth at the Student Affairs Fair.

1:30 - 2:30 pm

Join us in Joyner Library for an in-depth information session and Q&A. The Project STEPP office will also be open from 1:00-3:00 pm for tours and individual questions.

Contact us for more information ◆ 252-737-2275 ◆ johnsonem@ecu.edu ◆ www.ecu.edu/cs-educ/stepp
