

## CURRICULUM VITAE

**KATIE M. WALSH**

### EDUCATION

**Oregon State University**, Corvallis, Oregon  
Bachelor of Science, Physical Education  
Emphasis in Sports Medicine

**Illinois State University**, Normal, Illinois  
Master of Science, Physical Education  
Emphasis in Sports Medicine

**University of Southern California**, Los Angeles  
Doctorate of Education  
Dissertation: Is Tort Litigation Related to  
Educational Setting?

### WORK EXPERIENCE

**Director of Sports Medicine/Athletic Training**, East Carolina University, Greenville, North Carolina: 1995 - current.  
Director of undergraduate CAATE accredited Athletic Training Program in the College of Health and Human Performance. Teach undergraduate classes in the Athletic Training Program. Conduct research. Serve on Department, College and University committees. Supervise clinical experiences. Advise students in the Bachelor of Science in Athletic Training in the Department of Health Education & Promotion. Member of Graduate faculty. Awarded Tenure and Associate Professor status in 2003

**Lecturer/Assistant Professor**, California State University, Fresno: 1990-1992. Taught undergraduate classes. Advised undergraduate students in the NATA approved Athletic Training Option. Served on School and Department committees. Supervised student athletic trainers. Taught activity courses.

**Head Athletic Trainer**, Chicago Power Men's Professional Soccer Team and Illinois Sportsmedicine and Orthopaedic Centers, Chicago Illinois: 1987-1990. Provided medical care to team at both home and away games. Instructor for the medical aspect of State licenser of Soccer Referees. Rehabilitation specialist. Speaker in coaches workshops. Guest lecturer on athletic injuries and nutrition to area colleges and high schools.

**WORK EXPERIENCE (continued)**

**Lecturer/Athletic Trainer**, Western Illinois University, Macomb Illinois: 1983-1985. Taught undergraduate classes. Advised undergraduate students in the Athletic Training Option. Supervised Student Athletic Trainers. Traveled with athletic teams as medical staff.

**Athletic Trainer/Lecturer**, Illinois State University, Normal Illinois: 1980-1983. Supervised student athletic trainers. Taught graduate and undergraduate seminars and classes. Served on Department committees. Traveled with athletic teams as medical staff.

**Student Athletic Trainer**, Oregon State University, Corvallis Oregon: 1977-1980. Traveled with men's and women's athletic teams as medical staff.

**PRESENTATIONS  
International****Gatorade Sports Science Institute Conference**

The Science and Practice of American Football: July 2002 "The Risks of Two-a-day Practices" with Bryan Smith, PhD, MD. Park City Utah

**World Federation of Athletic Training:** June 2001. "Treatment and Complications Associated with Anterior and Lateral Thigh Contusions" in Los Angeles, California.

**International Lightning Detection Conference:** November, 1998. "Liability Out of the Clear Blue Sky?" in Tucson, Arizona.

**International Scientific Meeting on Electromagnetics in Medicine:** November, 1997. "Medical Implications of Lightning" in Chicago, Illinois.

**Deutscher Fußball Trainers' Association [German Soccer Coaches]:** October, 1997. "The Education of the Certified Athletic Trainer in the United States" in Munich, Germany.

**International Lightning Conference:** November, 1996. "Making a Case for Lightning Safety Policy in Intercollegiate Athletics" with B. Bennett in Tucson, Arizona.

**PRESENTATIONS**

**National**

**National Athletic Trainers' Association Annual Symposium:**

June 2003. "Idopathic and Vague Low Back Pain in a Collegiate Swimmer." in Saint Louis, Missouri.

**National Athletic Trainers' Association Annual Symposium:** June 2003. "Occupationally Acquired Infections." in Saint Louis, Missouri.

**National Athletic Trainers' Association Annual Symposium:** June 2003. "Round Table Discussion: Professions in Athletic Training." in Saint Louis, Missouri.

**PRESENTATIONS****National (Continued)**

**National Athletic Trainers' Association Annual Symposium:** July, 2000. "Recommendations Under Consideration for Lightning Safety for Athletics and Recreation" in Nashville, Tennessee.

**National Athletic Trainers' Association Annual Symposium:** June, 1999. "Development of an Emergency Action Plan" in Kansas City, Missouri.

**Educator's Conference of the National Athletic Trainers' Association:** January, 1999. "Are Tenure-track Program Directors Being Set up to Fail?" in Dallas, Texas.

**American Alliance of Health, Physical Education, Recreation and Dance National Convention:** April, 1999. "Are you Prepared for Lightning?" to the American Association for Leisure and Recreation in Boston, Massachusetts.

**National Athletic Trainers' Association Annual Symposium:** June, 1997. "A Survey of Lightning Policy in Selected Division I Colleges" in Salt Lake City, Utah.

**National Association of Physical Education in Higher Education Annual Conference:** January, 1997. "Where is Athletic Training Education Going - and Should We Jump on the Bandwagon?" with L. Dewald in Savannah, Georgia.

**National Athletic Trainers Association Promotional Video:** 1990. Chosen to be the female representative of the profession on a promotional video.

**Soccer Plus Goalkeeper Schools:** 1988-1995. Athletic Trainer for co-ed camp. Weekly lecturers to high school athletes on prevention of injuries. National travel with this camp as medical staff during the summer months.

**PRESENTATIONS****Region/State**

**North Carolina Athletic Trainers' Association:** March, 2005. "Athletic Training Education, past, Present and Future." Charlotte, North Carolina

**Tenth Annual Triangle Sports Medicine Symposium:** December 2004. "Weather and Climate in Emergency Management Planning." Raleigh, North Carolina

**Sports Medicine Symposium:** August, 2004. "Inter-Association Consensus on Exertional Heat Illness." Greenville, North Carolina

**North Carolina Athletic Trainers' Association:** March, 2003. "Emergency Action Plans: Are You Prepared?" in Raleigh, North Carolina.

**NATA District 4 Annual Meeting:** March, 2001. "The NATA Lightning Position Stand for Recreation and Athletics" in Milwaukee, Wisconsin.

**PRESENTATIONS****Region/State (continued)**

**Sports Medicine Conference:** February, 2001. "Evaluation of the Knee" at the Annual East Carolina University Conference.

**Family Medicine Special Olympic Volunteers - East Carolina University:** April 1999. "Environmental Issues for Medical Personnel at a Summer Mass Participation Event" to the Sports Medicine Specialists, and Residents of Brody School of Medicine, Greenville, NC.

**Sports Medicine Conference:** April, 1999. "Pathologies of the Lower Leg" at the Annual East Carolina University Conference.

**North Carolina Athletic Trainers' Association:** March, 1999. "Tort Law and the Athletic Trainer" in Raleigh, NC

**American College of Sports Medicine Health Fitness Instructor's Workshop:** December 1998. Presented "Athletic Injuries."

**Mid-Atlantic Athletic Trainers' Association Annual Meeting:** May, 1998. "What Athletic Trainers Need to Know About Lightning."

**Family Medicine Residents - East Carolina University:** August, 1997. "Environmental Dangers in Autumn - A Concern for Athletics" to the Sports Medicine Specialists.

**North Carolina Athletic Director's Association:** April, 1997. "Liability in High School Athletics" at the annual state meeting.

**Sports Medicine Conference:** April, 1997. "Knee Anatomy - Level III (Advanced)" at the Annual East Carolina University Conference.

**North Carolina Alliance for Health, Physical Education, Recreation and Dance:** November, 1996. "The Existence of Lightning Safety Policy in Athletics" in Greensboro, NC.

**Sports Medicine Conference:** April, 1996. "Ankle Anatomy - Level III (Advanced)" at the Annual East Carolina University Conference.

**East Carolina University School of Medicine:** February, 1997.  
"Injuries to the Upper Extremity" to internal medicine residents.

**East Carolina University School of Medicine:** April, 1996.  
"Rehabilitation of the Ankle" to pediatric medical residents.

**North Carolina Athletic Trainers' Association:** March, 1996.  
"When Thunder Rolls...Lightning in Athletics" to the state meeting.; Greenville, NC.

**East Carolina University School of Medicine:** February, 1996.  
"Evaluation of the Ankle" to pediatric medical residents.

**PRESENTATIONS****Region/State (continued)**

**North Carolina Alliance for Health, Physical Education, Recreation and Dance:** November, 1995. Presented research topic to state meeting: "Tort Litigation in Education." in Greensboro, NC.

**East Carolina University Medical School:** October, 1995. "Pediatric and Adolescent Fractures" to pediatric medical residents.

**Illinois State License for Soccer Referees:** 1987-1990. Educated candidates for State license. Taught prevention, recognition and care of athletic injuries.

**Nutrition and the Adolescent:** 1987-1990. Semiannual lectures to area High School students. Illinois Sportsmedicine and Orthopaedic Centers, Chicago.

**Athletic Injuries - The Basics:** 1987-1990. Semiannual lectures to area college coaching staff. Illinois Sportsmedicine and Orthopaedic Centers, Chicago.

**"Iliotibial Band Friction Syndrome":** 1990. Topic in seminar addressed to area medical Doctors and physical therapists, Illinois Sportsmedicine and Orthopaedic Centers, Chicago.

**"Patellofemoral Pain":** 1990. Topic in seminar addressed to area medical Doctors and physical therapists, Illinois Sportsmedicine and Orthopaedic Centers, Chicago.

**"Ultrasound, Myths and Realities":** 1989. Topic in seminar addressed to area medical Doctors and physical therapists. Illinois Sportsmedicine and Orthopaedic Centers, Chicago.

**Western Illinois University, Macomb Illinois: (1983-1985)**

Care and Prevention of Athletic Injuries (PE 100)  
Upper Extremity Injuries (PE 210)

Advanced Athletic Training (PE 310)

Athletic Training Seminar (PE 400)

**Illinois State University, Normal Illinois: (1980-1983)**

Advanced Seminar in Athletic Training (PE 485)

Introduction to Athletic Injuries (PE 384)

**ACADEMIC ADVISING**

**East Carolina University, Greenville, NC 1998 - current:**

Advisor for students officially enrolled in the Bachelor of Science in Athletic Training in the Department of Health Education & Promotion.

**East Carolina University, Greenville, NC 1996 - 1998:** Advisor for athletic training students and candidate student athletic trainers in the Department of Health Education (until they declare a major).

**California State University, Fresno 1990-1992:** Advised Fifteen students in athletic training in the Department of Physical Education and Human Performance.

**Western Illinois University, 1983-1985:** Advised ten students in the athletic training emphasis in the Physical Education Department.

**Illinois State University, 1981-1983:** Advised five students in the Sports Medicine option in the Physical Education Department.

**PROGRAM DEVELOPMENT**

**Bachelor of Science in Athletic Training:** East Carolina University, Greenville, NC 1999. Drafted and presented the information necessary to move the Athletic Training program from an option to a major in the Department of Health Education and Promotion. Students graduated with a Bachelor of Science in Athletic Training beginning in May, 2000.

**Athletic Training Option in the Department of Health**

**Education:** East Carolina University, Greenville, NC 1996. Designed, developed, presented to curriculum committees and

implemented a new option in the Department of Health Education, School of Health and Human Performance.

#### **CURRICULUM DEVELOPMENT**

**Field Experience in Athletic Training II (HLTH 4300):** East Carolina University, Greenville, NC, 2000. Currently a required course in the Athletic Training Major in the Department of Health Education & Promotion.

**Field Experience in Athletic Training I (HLTH 3200):** East Carolina University, Greenville, NC, 2000. Currently a required course in the Athletic Training Major in the Department of Health Education & Promotion.

**Orientation in Athletic Training (HLTH 1800):** East Carolina University, Greenville, NC, 1998. Currently a required course in the Athletic Training Major in the Department of Health Education & Promotion.

**Standard Nomenclature in Athletic Training (HLTH 2800):** East Carolina University, Greenville, NC, 1997. Currently a required course in the Athletic Training Major in the Department of Health Education & Promotion.

**Principles of Athletic Training (HLTH 2810, 2811):** East Carolina University, Greenville, NC, 1997. Currently a required course in the Athletic Training Major in the Department of Health Education & Promotion.

**Sports Medicine Practicum I (HLTH 3860):** East Carolina University, Greenville, NC, 1997. Currently a required course in the Athletic Training Major in the Department of Health Education & Promotion.

**Sports Medicine Practicum II (HLTH 4860):** East Carolina University, Greenville, NC, 1997. Currently a required course in the Athletic Training Major in the Department of Health Education & Promotion.

**Therapeutic Rehabilitation in Sports Medicine (HLTH 3280/3281):** East Carolina University, Greenville, NC, 1995. Currently a required course in the Athletic Training Major in the Department of Health Education & Promotion

**Sports Medicine Modalities (HLTH 3250/3251):** East Carolina University, Greenville, NC, 1995. Currently a required

course in the Athletic Training Major in the Department of Health Education & Promotion.

### **California State University, Fresno**

**Organization and Administration of Athletic Training (PE 106F):** California State University, Fresno, 1990. Developed, designed, proposed, and taught this new upper division course in the Athletic Training major.

**Therapeutic Exercise in Athletic Training (PE 106E):** California State University, Fresno 1990. Assisted with the revisal of this upper division course in the Athletic Training option. Defended it to the department and school curriculum committees.

**Therapeutic Modalities in Athletic Training (PE 106C):** California State University, Fresno 1990. Defended it to the department and school curriculum committees.

### **CURRICULUM DEVELOPMENT**

#### **Fresno State University (continued)**

**Advanced Care and Prevention of Athletic Injuries (PE 106B):** California State University, Fresno 1990.

#### **Western Illinois University**

**Upper Extremity Injuries (PE 210):** Western Illinois University, 1984. Redesigned and expanded this upper division Athletic Training course to cover a variety of traumatic injuries and conditions not previously covered.

### **CONSULTATIONS**

#### **Educational Consultations**

**University of Toledo:** Provided direction and consultation for re-accreditation of CAAHEP accredited program. Fall, 2001.

**University of North Carolina - Chapel Hill:** Provided direction and consultation for re-accreditation of CAAHEP accredited program. Spring, 2001.

**Greensboro College, North Carolina:** Provided direction and consultation for potential future CAAHEP accredited program. Spring, 1999.

**East Tennessee State University Athletic Training Program:**  
1999 Edited program's Clinical Education Manual.

**Fort Bragg Green Beret Medics.** Established beginning of a three-part course in athletic injuries for medics traveling to foreign countries when on military covert operations. 1999.

**Department of Exercise and Sport Science, East Carolina University.** Provided technical assistance on treatment of common injuries for a text required for EXSS 1000. 1999.

**Gardner-Webb University, North Carolina.** Provided direction and consultation for potential future CAAHEP accredited program. Spring, 1998.

**Dr. Carl Winfield, MD, Naval Hospital.** Assisted this physician with the on the field treatment of injuries for a national presentation on Sports Medicine. January 1997.

**Lincoln University, Missouri.** Provided direction and consultation for potential future CAAHEP accredited program, May, 1997.

**University of North Carolina at Wilmington.** Provided direction and consultation for potential future CAAHEP accredited program, August, 1997.

### **Lightning Consultations**

**911 Emergency Operators:** provided assistance in regards to technical information, direction, and medical advice to callers in a lightning emergency.

**911 Emergency Operators:** Provided expert assistance in development of 911 "Lightning Cards" an operator can read to assist a caller in need if information. 1999.

**Michigan Department of Health:** provided technical assistance with development of a state-wide lightning safety position. June, 1998.

**Discovery Channel:** Toronto, Canada. Provided technical and first aid assistance regarding lightning trauma and occurrence. October, 1998.

**University of South Carolina, Athletics Department.** Assisted with development of Lightning Safety Protocol for the University of South Carolina Athletics Department. August 1998.
