Adding Devices

9. Choose **Register a Device** then click the **Finish** button to register you clicker.
*Note: If you are only registering your mobile device, choose **Redeem a License**.*
10. Click the **Add** button to enter the ID from the back of your device.

11. To register your mobile device, click **Licenses** then enter your License code from your license card then click **Redeem**.

Note: Check with your instructor to find out if you can use your mobile device. Some instructors do NOT allow students to use mobile devices in class.

Note: To add new devices or redeem licenses, sign in to your account by clicking the Turning Account Registration link in your Blackboard course.
