

# Registering Your Clicker

Go to your course in Blackboard and click the "Tools" link in the sidebar.

Click on "Turning Technologies Registration Tool."

## Turning Technologies Device Registration

To receive credit for your participation in-class, register your TurningTechnologies device.

### ResponseCard

Handheld clicker device

### ResponseWare

Web enabled response system

### My Registered Devices

#### Device ID

[Register ResponseCard](#)

[Register ResponseWare](#)

#### Device Type

ResponseCard

ResponseWare

***[If you are using a ResponseCard handheld clicker device](#)***

***[If you are using your own personal device \(laptop, mobile phone, etc.\) with ResponseWare](#)***

Click on "Register Response Card."

### Register a Device

Please contact customer support toll-free within the US: 1.866.746.3015 or email [support@turningtech](mailto:support@turningtech)

Enter the 6 character hexadecimal Device ID located on the back of the ResponseCard.  
The only possibilities are 0-9, A-F. The letter 'O' is not a possible character because it is after 'F'.

Device ID (6 characters 0-9, A-F)

***If you are using your own personal device (laptop, mobile phone, etc.) with ResponseWare***

Type Device ID (shown in image to the right)  
in the text box. Click "Register."
