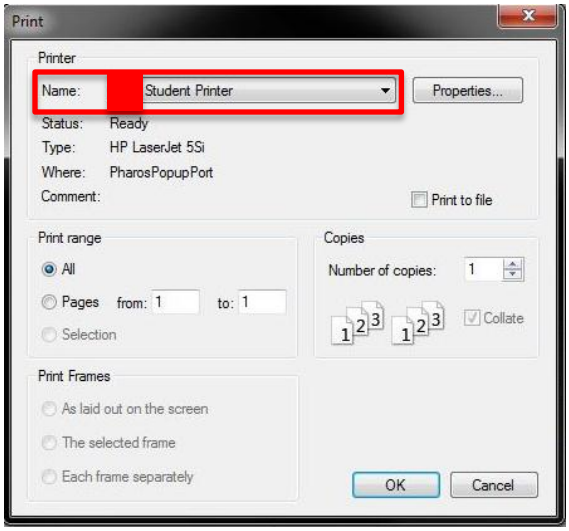
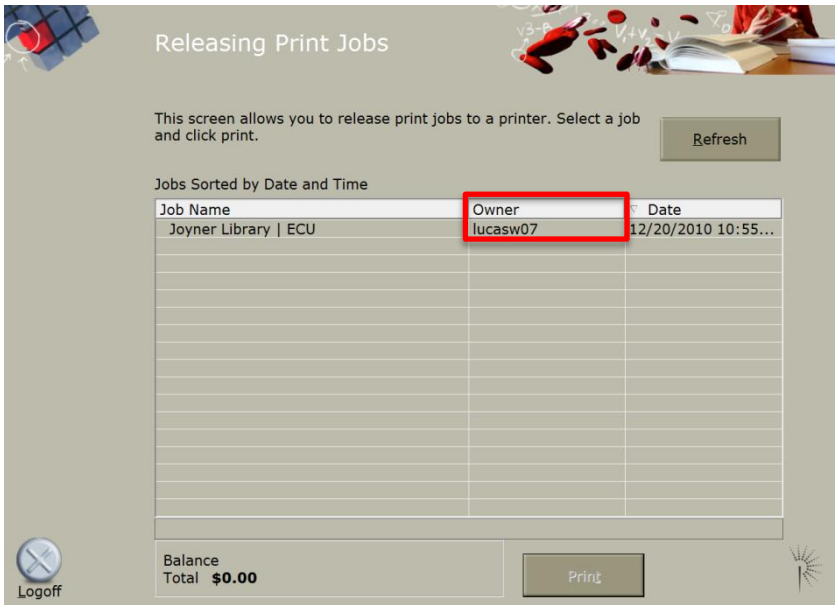
STUDENT PRINTING

1. When you click print, choose the printer name from the drop down menu, ***Student Printer***. (Default Printer)



2. Go to one of the four Free Student Printer stations, located in Circulation, Reference, Teaching Resource Center, and North Carolina Collections. Here you will release your print job to the printer.
3. Enter your student Pirate ID and password at the login screen to login to the Student Printer station.


4. Choose your print job by locating your Pirate ID under the Owner column. Press the Print button in the lower right hand corner of the screen to release your print job to the Student Printer.
