

MEMORANDUM OF AGREEMENT
YBP Approval Plan for Selected University Press & Trade Publications

East Carolina University, Joyner Library 1380-11, plan 40
Also includes Music approval plan 1380-13, plan 6906

DECEMBER 2007

This memorandum is intended to explain the library's arrangement with Yankee Book Peddler (YBP) to provide selected publications on an approval basis.

The explanation is presented in two parts. Part I briefly describes the procedures which govern billing, shipment, discount, and returns of materials provided on approval. Part II lists the plan's subject parameters and the non-subject qualifiers which limit the plan. Attached is the Approval Plan Publisher Profile which lists the publishers covered by the plan.

Both the library and YBP recognize that some changes to these guidelines may be necessary as the program evolves over a period of time. Any change in substance will be recorded in a written communication from YBP to the library and will be appended to the initial description of the plan.

I. GENERAL PROCEDURES

A. Billing:

1. A three-part invoice will be included in each shipment with books listed alphabetically by **title**. Payment will be made from this invoice.
2. A four-part 4x5 inch bibliographic form will be included in each book for the library's use.
3. Purchase order number "**APP**" will appear on all invoices and shipping labels.

B. Shipment:

1. Shipments will include both books and notification slips (title announcements sent in lieu of a book). Unless specifically requested otherwise, one copy of each title will be shipped.
2. Shipments will be made via parcel post, truck or United Parcel Service on a weekly basis. YBP will pay for shipping to the library.
3. Materials will be shipped to the following address:

Joyner Library
Technical Services
East Carolina University
Greenville, NC 27858-4353

C. Account and Plan Structure:

The Library's account structure is indicated in the table below. Sub-accounts shown in **bold** are associated with the approval plan.

Sub-Account #	Plan #	Description
1380-11	40	Approval Plan
1380-09	9040	Notification Slip Orders
1380-10	-----	Firm Orders
1380-12	-----	Staff Orders
1380-13	6906	Music Approval Plan
1380-20	-----	Medical Biophysics Orders
1380-80	1280	Standing Orders

D. Discount:

The Library prefers paper bindings when titles are published simultaneously in cloth and paperback. YBP will therefore supply approval books and approval notification of the paper edition whenever possible. Discounts announced on notification slips are not guaranteed, but are usually met.

E. Returns:

1. Under the provisions of this approval plan, YBP will ship to the library books selected according to the publisher, subject, and non-subject parameters outlined in this document. The library reserves the right to return titles which are deemed inappropriate to the library's collection for reasons of content, subject, style, format, quality, etc.
2. Returns are not expected to exceed 10%.
3. Titles may be returned in resalable condition within 120 days of date of YBP invoice.
4. Returns must be shipped via UPS or insured mail.

II. APPROVAL PLAN SPECIFICATIONS

A. Publishers:

The plan as initially specified will include all publishers named on the attached Approval Plan Publisher Profile.

B. Subject Parameters:

Materials offered on this plan will reflect the requirements of a research library.

Restrictions indicated on the subject parameters described below are due to both the developing nature of the plan and to real limitations in the university library's collecting policies.

The following subject parameters describe the subject focus of the plan. Books will be shipped automatically in subjects preceded by a "B". Notification slips will be sent in lieu of a book for very marginal materials in this subject and for all subjects preceded by an "S". Nothing will be shipped for all subjects preceded by an "X"; exceptions to the exclusion are noted. Nothing will be shipped for all subjects not specifically indicated.

New York Times Book Review Coverage: YBP will send notification slips automatically, overriding normal profile specifications, for titles reviewed in the *New York Times Book Review*. Slips will be sent for full and half page reviews of fiction and poetry. Nonfiction and brief reviews will be excluded.

Times Literary Supplement Coverage: YBP will send notification slips automatically, overriding normal profile specifications, for titles reviewed in the *Times Literary Supplement*. Slips will be sent for full and half page reviews of fiction and poetry. Nonfiction and brief reviews will be excluded.

Village Voice Literary Supplement Coverage: YBP will send notification slips automatically, overriding normal profile specifications, for titles reviewed in the *Village Voice Literary Supplement*. Slips will be sent for reviews of fiction and poetry. Nonfiction reviews will be excluded.

One copy of any book written by an **EAST CAROLINA UNIVERSITY FACULTY MEMBER** will be shipped to the library, overriding all other profile specifications.
