

Librarian to Librarian Networking Summit
Joyner Library, East Carolina University
February 23, 2008

The Digitization of Libraries

- **NC ECHO: Creating Digital North Carolina**
 - That which is local is that which is unique
 - That which is most rare is that which becomes most visible
 - Breaking down boundaries to bring related items together
- **DIMP: Managing and Preserving Digital North Carolina**
 - NC MOSAIC and SLNC Digital Repository
 - *From Crossroads to Capital; New Independence in the Old North State*

Librarians in the Digital Era

- **Technology Competencies: Librarians as lifelong learners**
- **New ways to teach using digital collections**
