The Coretta Scott King Award is presented annually by the Coretta Scott King Task Force of the American Library Association's Ethnic Multicultural Information Exchange Round Table (EMIERT). Recipients are authors and illustrators of African descent whose distinguished books promote an understanding and appreciation of the "American Dream." The Award commemorates the life and work of Dr. Martin Luther King Jr., and honors his widow, Coretta Scott King, for her courage and determination in continuing the work for peace and world brotherhood.

The award winners are listed below with the author award first and the illustrator award second.
