Folktales are often stories of animals that act like humans, and that live in a world of wonder and magic. Most of these stories convey a message or moral to the reader, or explain something in a creative way. Folktales are often passed down and retold from generation to generation and are often specific to a culture or a region.

Titles in the Teaching Resources Center are cataloged with Dewey call numbers and are preceded by Curric. Please ask someone at the Teaching Resources Service Desk if you need any assistance.
