RE: Aycock Dormitory

Dear Dr. Ballard:

NONSENSE! Changing the name of Aycock Dormitory is pure nonsense. Governor Aycock was known as the "Educational Governor". Why would anyone want to dishonor him by renaming Aycock dorm? Besides, he was a distant relative of my wife!

Probably some odd ball professor jealous because the dormitory is not named after him.

Incidentally, I was graduated from "East Carolina College" many years ago.

Sincerely,

Johnnie E. May
