PRIVATE & CONFIDENTIAL

Dear Chancellor:

SUBJECT: Charles B. Aycock Resident Hall

I propose your changing of the Aycock Resident Hall at East Carolina University to the (Governor) Terry Sanford Resident Hall.

I too oppose the name of former Governor Charles B. Aycock because of the racial and social improprieties of his age and time as mankind evolves.

I support the changing of the resident hall to the TERRY SANFORD RESIDENT HALL, because:

1. He is the son of a long term Officer in THE SALVATION ARMY.
2. As a baby he cut his teeth on a curb stone.
3. As a child after school, Christmas, and Easter he helped collect the money and used products to help people in the respective communities his parents were appointed.
4. He earned a Law Degree from Duke University, while his parents and family were appointed to Durham, North Carolina.
5. He was drafted into the Military in World War II, serving in France, and fought in the Battle of the Bulge.
6. After returning from France and establishing a Law Firm he ran and won election as the Governor of the State of North Carolina supporting EDUCATION and a sales tax on FOOD for education. NO EDUCATION, NO FOOD, NO FOOD, NO EDUCATION.
7. At Terry Sanford's election as Governor of North Carolina from Durham his father was appointed as Janitor of THE SALVATION ARMY SOUTHERN TERRITORIAL HEADQUARTERS, which includes Mexico.
8. After Governor he served as the President of Duke University for years and a minor candidate for President of the United States, later serving as a U.S. Senator.

This is why I support naming the Resident Hall at East Carolina University the TERRY SANFORD RESIDENT HALL.

Thank you.

Cordially,

Mervin R. Brame, D.D.
