Personalize a brick

Parents of East Carolina University graduating seniors have a unique opportunity to honor your student’s achievement. By supporting ECU’s Student Affairs programs with a gift of $250, you can recognize your student’s success with a personalized commemorative brick.

Graduation from East Carolina represents a significant rite of passage for your student. The commemorative brick program allows you to permanently mark that passage. Each inscribed brick will be placed in the Cupola Plaza located on the campus mall.

The Old Austin Cupola is a replica of the cupola that sat atop East Carolina’s first administration building. The cupola represents the university’s long history of commitment to quality higher education. Bricks honoring your graduate’s class will be grouped together in the plaza and will set the pattern for subsequent classes.

When you honor your graduate, you also benefit current and future students at East Carolina University. Proceeds from the personalized brick program support various enrichment activities provided by the Division of Student Affairs, such as the Parent Endowment, safety and wellness, student leadership initiatives and nurturing of academic excellence.

Your inscription may include any of the following items:

- Student’s name
- College, school, program, or major
- Fraternity or sorority
- Campus-sponsored organization

Please note that the last line of the inscription will read “CLASS OF _______."
