Dedicated & Combination Service Blocks
Service for each day is broken into multiple blocks which operate on different schedules to adapt to our riders’ needs. Earlier in the day, buses provide more frequent service to a single route when service is needed most for peak class times. Later, buses come less frequently and may combine multiple routes into a single bus during off-peak periods. When routes combine, the route number and name displayed on each bus and schedule block will also change.

Adaptive Scheduling Time Line
The time line below provides a quick overview of this route’s service schedule throughout each day. Each dot indicates the beginning of a block of service; the dot’s label corresponds to its service block to the right.

After Hours Service: 803 Copper Beech / University Manor / 33 East
