About Night Service Options

Getting around campus after regular service ends for the day is easy. ECU Transit offers a variety of transportation options for our riders who want to travel to, from, and around campus for night classes, on-campus events, or other needs. These shuttles, which cover nearly all regular daytime stops, operate to help ensure safe travel at night; see individual schedules for details on locations served. For more information on personal safety, please visit www.ecu.edu/police.

Night Combination Shuttles

These routes offer two-way service to most locations served during the day with the exception of outlying retail stop locations on routes *303 Blue* and *307 Walmart*. Due to lower ridership at night, these shuttles operate very similarly to the afternoon off-peak combination shuttles. Night combination shuttles operate nightly Monday - Thursday, 6:30pm - 10:30pm and Friday, 6:30pm - 8:30pm. The last trip departs Christenbury Gym Monday - Thursday at 10:00pm and Friday at 8:00pm.

Campus-Only Night Shuttle: 850 Gold

For service geared more toward serving main campus, see route *850 Gold* on the next page. This route focuses on major on-campus locations while connecting riders to College Hill and outlying parking areas.

Other Locations Served By SafeRide

ECU Transit's point-to-point, demand-response van service designed to enhance safe travel at night operates Monday - Friday, 6:30pm - 2:00am and Saturday - Sunday, 12:30pm - 2:15am. Call 252-328-7433 to request a ride, or visit www.ecu.edu/transit for more details.

Departure Time Points

Locations in bold with an astrick (*) are considered time points. Time points are stops along the route that have a set time for the vehicle to depart. Other locations listed are not considered to be time points and have approximate departure times. Remember to arrive early to your pickup location to ensure that you arrive at your destination on time. Track your bus by downloading the NextBus™ app on your mobile device.

SafeRide

SafeRide is a point-to-point, on-demand van service which works to help ensure safe travel around campus and adjacent areas at night after most regular daytime service has ended. It also operates in conjunction with the bus system to connect you with evening bus routes for travel away from campus. Schedule a ride by using the TransLōc® Rider App or by simply calling 252-328-7433 and speaking with a dispatcher to arrange a pick up. Please note: dispatchers cannot schedule rides which duplicate currently operating bus service. An ECU 1 Card is required (one guest per valid ID).
