

### *What is Rush?*

Formal rush for men is a time for rushees and initiated members to get to know each other through a series of carefully planned “parties.” After rush has been completed and bids have been extended, you will begin pledging/associating with the fraternity of your choice.

It is important to come to rush with an open mind and to give each chapter equal consideration. Be yourself! Rush is a mutual process, so remember as you evaluate each chapter, they will evaluate you. Do not let other’s opinions make the decisions for you, but go with your feelings, for the decision will affect the rest of your life.

You may wonder what qualities Greek organizations look for in an individual. Personality and interest are important, but so are academics. They are the main reason you are attending college. Always be sure to ask questions. If you have any questions pertaining to rush, financial matters, or social activities, ask someone or call us. We would be glad to clear up any confusion you may have. Another important point to consider is finances. Careful consideration should be given to your financial situation before making any obligations. Even though a rushee is not obligated to pledge/associate at the end of rush, we ask you to look carefully at Greek life at ECU. It is a way for you to meet the Greeks and to find out about the opportunities we have to offer. **Like it...we love it! GO GREEK!!!**
