

# ECU Transit

spring 2012 • complete list of non-hub locations served

## Alphabetical Listing of Stops

This list is included for your convenience to help you quickly locate the route(s) serving your area of interest. Some stops have both inbound and outbound listings; outbound stops are served as the bus travels away from campus, while inbound stops are served as the bus returns to campus. Please see individual schedules for actual departure times.

## SafeRide

ECU Transit also offers SafeRide, a supplemental point-to-point van service designed to help you get home safely once the day is done. SafeRide operates nightly; see the schedule and service calendar online for operating hours.

To arrange pickup, please call 252-328-7433 (RIDE) and be prepared to provide your name as well as pickup and drop off locations. An ECU 1Card is required to ride with one guest allowed per valid 1Card.
