SPORTS STUDIES

SCHEDULE BASICS
- Refer to the undergraduate catalog at [http://www.ecu.edu/cs-grad/registrar/catalog.cfm](http://www.ecu.edu/cs-grad/registrar/catalog.cfm) to see your major requirements.
- As a freshman, you can take only 1000/2000 level courses.
- A full-time student schedule is 12-18 credit hours. The typical first-semester schedule for students in this major is 15 credit hours.
- This is a first draft of your schedule; you can finalize your schedule during orientation.

<thead>
<tr>
<th>FIRST SEMESTER PRIORITY COURSES—Your first-semester schedule should include these classes:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Biology</td>
</tr>
<tr>
<td><strong>Note:</strong> If you are unable to get into these courses, do <strong>NOT</strong> add a different biology class.</td>
</tr>
</tbody>
</table>

FIRST SEMESTER RECOMMENDED COURSES—Add these to complete your schedule.
In addition to the courses listed above, you can add HLTH 1000-Health in Modern Society, KINE 1100-Lifetime Physical Activity and Fitness Lab, ENGL 1100-Foundations of College Writing. You can also add a Math, Humanities, Social Science, or Fine Arts course. For Social Science, you can take [ANY](#) of the following required courses: PSYC 1000-Introductory Psychology **OR** RCLS 2601-Leisure in Society. Examples of foundations curriculum courses can be found at [www.ecu.edu/advising](http://www.ecu.edu/advising). Click on the “Foundation Courses” tab. Specific information about Math, Humanities, and Fine Arts courses is listed below.

**Math:** The typical math course for sports studies majors is MATH 1065-College Algebra. The other Math option is MATH 1066 - Applied Mathematics for Decision Making.

**Note:** Students who scored a 540 or higher on the math section of the SAT or a 20 or higher on the ACT can register for MATH 1065, 1066, or 2127. For those who do not fall into either of these categories, you must take the Accuplacer Placement Test during summer orientation to place you into the appropriate math for your major. Students who receive AP credit for calculus **OR** who are bringing in transfer credit for math will have an opportunity to speak with a major advisor during orientation to see if additional math courses are required for the major.

**Humanities:** You can take [ONE](#) of the following required humanities courses: PHIL 1110-Introduction to Philosophy, PHIL 1175-Introduction to Ethics, PHIL 1176-Introduction to Social and Political Philosophy, PHIL 1180 - Introduction to Critical Reasoning, **OR** PHIL 2274 - Business Ethics

**Fine Arts:** You can take [ONE](#) of the following required fine arts courses: COMM 2020-Fundamentals of Speech Communication **OR** COMM 2410-Public Speaking.

SAMPLE SCHEDULE
Refer to [www.ecu.edu/advising](http://www.ecu.edu/advising) and select “Degree Plans” to see sample 4-year plans for every major.

FINAL THOUGHTS/ADDITIONAL TIPS
- Create a schedule following the instructions above. Don’t worry if you’re unable to register for all of your courses; advisors can help you when you attend orientation! The important thing to remember is to make sure you sign up for at least 12 credit hours of something (e.g., foundations curriculum courses) so that a bill can be generated (and any financial aid paperwork can be processed).
- Are you interested in a [Pre-Professional Program](#)? If so, visit [www.ecu.edu/ppac](http://www.ecu.edu/ppac) for important information.
