Assign EPA Temporary Job to Employee, JOBNW5
Enter the New Job position number and the appropriate suffix.
With EPA Overloads, use suffix L1, L2, etc.
VERY IMPORTANT: After entering the suffix hit your TAB BUTTON to populate the position.
Click the **NEXT APPROVAL TYPE** button.

**Note:** Make sure you click the NEXT APPROVAL TYPE or you will NOT proceed to the following screen.

**End the Job, JOBEND**
Select the NEW JOB by using the select button to the right. This field allows you to enter the future end date in the EPAF.

Click the **GO** button.
**Job Begin Date**: This date should match the query date (1st or 16th of the month)

**Contract Type**: Defaults in as "O" for OVERLOAD assignment.

**Jobs Effective Date**: This date should match the query date (1st or 16th of the month)

**Personnel Date**: The Query Date you entered will default in here. You will need to override and change the date to the beginning date of their EPA contract for the overload.

**Employee Class Code**: Enter the E Class for the EPA Temporary job. This applies to the temporary job, not the permanent job. Therefore, the E-class should be **ET, FACULTY TEMPORARY**.

**Title**: Enter the employee’s working title or position title. (This field has to be completed or the EPAF will not submit.)

**Job Location**: Select the employee’s job location from the drop down box.

**Job Change Reason**: Select **00231, Add Overload Appointment EPA** from the drop down box.

**Annual Salary**: Enter the salary for this overload appointment.

**FTE**: Enter FTE. THIS IS A DECIMAL.

**Pays**: The number of pays per calendar year. This is always the same as the factor. This is used in the semi monthly pay calculations. (9 for the semester)

**Factor**: The number of pays per calendar year. This is used in the semi monthly pay calculations. (9 for the semester)

**Contract Number**: Enter the Contract number which is the PCS Hegis code.

**Supervisor ID**: Enter the ECU ID of the supervisor for this employee. Leave blank if unknown.

---

**FOAP Effective Date**: This date should match the query date (1st or 16th of the month)

**Index, Fund, Organization, Account, and Program**: The FOAPAL information will default in from the position. If, for some reason, the funding should be different than the position funding, you may change it here.

**Project**: The Project Code represents the FTE by FOAP. This number MUST match the FTE assigned.

**Percent**: The total percent of all labor distributions must equal 100%. If the job is split funded and you used a dollar amount to calculate the correct percent for each labor distribution or FOAPAL line, please indicate the dollar amounts used in your calculation in the **Comments section** at the bottom of this EPAF (below the routing section). This will enable all Approvers to see the dollar figure you used in your calculation.
Jobs Effective Date: This should be the last pay date (either the 15th or last day of the month)
Personnel Date: This will be the end date of their EPA contract.
Job Status: Select Terminated from the drop down box.
Job Change Reason: Select 00100, Temp appointment terminated from the drop down box.
