I. The Organization of the University of North Carolina

In North Carolina, all the public educational institutions that grant baccalaureate degrees are part of The University of North Carolina. East Carolina University is one of seventeen constituent institutions of the multi-campus state university.

The University of North Carolina, chartered by the NC General Assembly in 1789, was the first public university in the United States to open its doors and the only one to graduate students in the eighteenth century. The first class was admitted in Chapel Hill in 1795. For the next 136 years, the only campus of The University of North Carolina was at Chapel Hill.

In 1877, the NC General Assembly began sponsoring additional institutions of higher education, diverse in origin and purpose. Five were historically black institutions, and another was founded to educate American Indians. Several were created to prepare teachers for the public schools. Others had a technological emphasis. One is a training school for performing artists.

In 1931, the NC General Assembly redefined The University of North Carolina to include three state-supported institutions: the campus at Chapel Hill (now the University of North Carolina at Chapel Hill), North Carolina State College (now North Carolina State University at Raleigh), and Woman's College (now the University of North Carolina at Greensboro). The new multi-campus University operated with one board of trustees and one president. By 1969, three additional campuses had joined the University through legislative action: the University of North Carolina at Charlotte, the University of North Carolina at Asheville, and the University of North Carolina at Wilmington.

In 1971, the General Assembly passed legislation bringing into The University of North Carolina the state's ten remaining public senior institutions, each of which had until then been legally separate: Appalachian State University, East Carolina University, Elizabeth City State University, Fayetteville State University, North Carolina Agricultural and Technical State University, North Carolina Central University, The North Carolina School of the Arts, Pembroke State University (now the University of North Carolina at Pembroke), Western Carolina University, and Winston-Salem State University. This action created the original sixteen-campus University. (In 1985, the North Carolina School of Science and Mathematics, a residential high school for gifted students, was declared an affiliated school of the University; in July 2007 NCSSM by legislative action became a constituent institution of the
University of North Carolina [http://www.northcarolina.edu/about/mission.htm], making it the seventeenth campus of the University of North Carolina.

The University of North Carolina Board of Governors is the policy-making body legally charged with the general determination, control, supervision, management, and governance of all affairs of the constituent institutions. It elects the president, who administers The University (https://www.northcarolina.edu/policy/index.php). The thirty-two voting members of the board of governors are elected by the General Assembly for four-year terms. Former board chairs and board members who are former governors of North Carolina may continue to serve for limited periods as emeritus nonvoting members. The president of The UNC Association of Student Governments, or that student's designee, is also a nonvoting member.

Each of the seventeen constituent institutions is headed by a chancellor, who is chosen by the board of governors on the president's nomination and is responsible to the president. Each institution has a board of trustees, consisting of eight members elected by the board of governors, four appointed by the governor, and the president of the student body, who serves ex-officio. (The NC School of the Arts has two additional ex-officio members.) Each board of trustees holds extensive powers over academic and other operations of its institution on delegation from the board of governors.

II. Vision, Mission Statement, and Strategic Directions of East Carolina University

The effective formulation of East Carolina University’s vision and mission demands the broadest possible exchange of information and opinion among the Board of Trustees, the Chancellor, Administration, and the Faculty. Each should have a voice in the determination of ECU’s vision and mission. Therefore, because of their educational, research, service, clinical, and other functions, the faculty should participate in the creation of ECU’s vision, mission, and other strategic planning documents. FACULTY CONSTITUTION OF EAST CAROLINA UNIVERSITY

I. Purpose
The purpose of the faculty organization shall be to provide the means by which the faculty is enabled to fulfill its function with respect to academic and educational policies and other affairs of East Carolina University. The faculty organization shall be comprised of the general faculty and the Faculty Senate. The general faculty shall be the general electorate, and the Faculty Senate shall be a legislative and advisory body representing the general faculty and shall consist of elected and ex-officio members. The functions, duties, and privileges of these two bodies, stipulated in the following document, shall be exercised under the authority of the Chancellor of East Carolina University.
The Faculty Senate and the various committees on which the faculty serve shall be the primary media for the essential joint effort of faculty and administration in the government of East Carolina University. The Chancellor and the Chair of the Faculty shall facilitate communication which will enable continuing and effective faculty participation.

II. Organization of the General Faculty
The general faculty shall consist of all full-time members of the teaching, research, or administrative staff who hold an academic title, including those on special faculty appointment.

The general faculty shall have as its presiding officer the Chair of the Faculty, who shall be responsible for calling its meetings and for keeping a record of its proceedings. The presence of a majority of the members shall constitute a quorum, except in special cases provided for in this constitution. Each member of the general faculty shall have one vote. A vote by voice will be the regular method of voting on any motion that does not require more than a majority vote for its adoption. Upon the request of ten percent of those present, a secret ballot will be in order.

III. Functions of the General Faculty
The general faculty shall be empowered to perform the following functions: consider reports from and make recommendations to the Chancellor, the appropriate vice chancellor, and the Faculty Senate; discuss any matter relating to the welfare of East Carolina University or of the members thereof; amend or rescind the articles establishing the Faculty Senate as provided for in this constitution; amend or rescind the action of the Faculty Senate as provided for in this constitution.

IV. Meetings of the General Faculty
The general faculty shall meet at the pleasure of the Chancellor or the Faculty Senate of East Carolina University or upon petition to the Chancellor by at least fifteen percent of the general faculty.

V. Academic Units
The academic units shall be organized into autonomous code units according to guidelines approved by the Faculty Senate and the Chancellor. Except for the academic libraries, each code unit shall be responsible for at least one degree program.

VI. Organization of the Faculty Senate
Electoral units for the Faculty Senate shall be the academic code units. All full-time faculty members of East Carolina University are eligible to vote for faculty senators. All full-time faculty members of East Carolina University in at least their second year of appointment to the electoral unit which they will represent are eligible for election to the Faculty Senate. The membership of the Faculty Senate shall consist of elected representatives and of ex-officio members.

The number of elected faculty senators shall not exceed 58 nor be fewer than 52. Prior to the election in February of each academic year, the ratio of faculty members to elected faculty senators will be determined by the Chair of the Faculty, Vice Chair of the Faculty, and the Secretary of the Faculty. The number of faculty within each department/school/college will be gathered from part of a personnel data file that is prepared and submitted to the UNC General Administration by the Office of Institutional Planning, Research, and Effectiveness in January of each year.

Faculty members included in the University's annual personnel data report who satisfy all of the following criteria shall be counted in determining the number of each electoral unit's faculty senators:
(1) currently employed (as of the date of the report), (2) permanent employee (including those on leave with or without pay), (3) EPA employee, (4) full time employee, (5) included in the occupational activity categories of 10 (executive, administrative and managerial) or 20 (instructional faculty), (6) holding a professorial rank or title (modified or unmodified) of instructor, assistant professor, associate professor, or professor. Faculty members meeting these criteria will be counted as belonging to their department/school/college of rank (not home department) where these two differ. When a faculty member's department of rank is part of a professional school or college, and the school or college is the recognized electoral unit, the faculty member will, for purposes of Faculty Senate representation, be counted as a member of the school or college which is his or her electoral unit.

Each electoral unit represented will then be informed as to the number of elected faculty senators to which that electoral unit is entitled. No electoral unit will be allocated more than 15 percent of the elected Faculty Senate members. Electoral units for the purpose of this constitution shall be the various professional schools and colleges, Academic Library Services, Health Sciences Library, and the departments of the College of Arts and Sciences. In the event that an electoral unit must reduce its existing number of faculty senators, it shall do so by following democratic procedures.

Each department of the College of Arts and Sciences shall have at least one elected faculty senator and will elect its faculty senator as an electoral unit. The various professional schools and colleges, Academic Library Services, and the Health Sciences Library will have at least one elected Faculty Senator. Each department/school/college may choose to elect its senators from the department/school/college as a whole or in the alternate manner described as follows. Each department within the school/college shall be allowed to nominate the number (less the number whose terms are not expired) to which it would be entitled if it were considered as a separate electoral unit. The persons nominated by each department shall be placed on a ballot for the election of the number allotted to the electoral unit by the faculty of the electoral unit.

The count of faculty members for the purpose of apportionment shall include those members who are absent from the campus because of illness or leave of absence, unless replaced by a full-time instructor or above under annual contract.

The ex-officio members of the Faculty Senate shall include the following representatives of the East Carolina University administration: Chancellor, Provost/Vice Chancellor for Academic Affairs, Vice Chancellor for Health Sciences, Vice Chancellor for Research and Graduate Studies, and an academic dean elected by the Chancellor’s Cabinet in a manner determined by the Cabinet. The immediate past Chair of the Faculty and the elected representatives of East Carolina University to the Faculty Assembly of the University of North Carolina, including elected Faculty Assembly officers, who are not members of the Faculty Senate shall also be ex-officio members. These ex-officio members shall have a vote in all Senate matters except the election of officers and committee members.

VII. Method of Election of the Faculty Senate
The Secretary of the Faculty shall request that each electoral unit proceed to elect its representatives. Elections shall be held in February of each year with members-elect to take office on the day following the last regular meeting of the Faculty Senate in the spring semester. To obtain nominations, each department/school/college shall develop a ballot that lists every eligible member of that department/school/college. Each member of the faculty shall vote by secret ballot for twice as many nominees as that faculty member's department/school/college is entitled to elect. That
group of nominees equal to twice the number of representatives to be elected that receive the largest number of votes shall then be placed on a separate ballot for the election of representatives. An alternate method of nominating Senators by the schools is found in Section VI.

To elect representatives each faculty member shall then vote by secret ballot for the number of representatives allotted that electoral unit. Votes shall be counted in accordance with procedures agreed upon by the electoral unit.

The administrative officer of each electoral unit shall report the results of the election to the Secretary of the Faculty.

Each senator shall serve a two-year term. Senators may be elected to succeed themselves twice. After a lapse of one year following the expiration of this third term, they will again be eligible for election. The seat of an elected senator who fails to attend more than three consecutively held meetings of the Faculty Senate shall be declared vacated by the Chair of the Faculty. If a senator is awarded a research or medical leave and an alternate senator attends in his or her place, the three consecutive meeting rule will not be invoked. (Faculty Senate Resolution #09-06)

Each electoral unit concerned shall hold special elections to fill unexpired or vacated terms. The Senate may establish and promulgate procedures for selecting alternates for elected and ex-officio members. The administrative office of each electoral unit so affected shall certify to the Secretary of the Faculty the credentials of individuals thus elected.

VIII. Officers of the Faculty and Faculty Senate

The officers of the faculty and Faculty Senate shall consist of the following: the Chair of the Faculty, the Vice Chair of the Faculty, and the Secretary of the Faculty. Other officials may be established as they become advisable or necessary. All officers shall be elected by a majority vote of the elected members of the Faculty Senate present. All full-time, permanently tenured faculty are eligible to serve as Chair or Vice Chair of the Faculty. All full-time faculty members of East Carolina University in at least their second year of appointment are eligible to serve as Secretary of the Faculty. In the event that a Faculty Officer is also a faculty senator, the electoral unit having elected the Senator is invited to elect a replacement. Officers of the Faculty, who are not members of the Faculty Senate will not have a vote, count toward a quorum, or vote and occupy a seat assigned to a Faculty Senator. The term of faculty officers shall be one year with the privilege of reelection.

At the second regular meeting of the spring semester the elected members of the Faculty Senate shall nominate and elect a nominating committee to consist of five members. The nominating committee shall be elected from the ranks of elected members of the Faculty Senate by a majority of those present and voting. Voting for members of the nominating committee shall be by written, secret ballot. The nominating committee elected by the Faculty Senate shall submit to the Secretary of the Faculty a slate of candidates for each office of the Faculty Senate at an organizational meeting to be held on a Tuesday following the last regular meeting of the spring semester but before the beginning of the examination period.

Further nominations, from the ranks of the elected membership and by the elected members, will be accepted from the floor. Officers will be elected by a majority of those present and voting. They shall assume their duties on July 1 following election. If the office of the Chair of the Faculty shall become vacant, the position shall be assumed by the Vice Chair of the Faculty. If other offices shall become
vacant, they shall be filled by a special election conducted by the Faculty Senate. Voting for all officers shall be by written, secret ballot.

IX. Duties of the Officers of the Faculty Senate
The Chair of the Faculty shall preside at all meetings. He or she is empowered to call special meetings as hereinafter provided. The Chair is an ex-officio member of all academic committees and various administrative committees. The Chair may delegate to the Vice Chair or an appointed representative his or her seat on any of the academic or various administrative committees. He or she shall appoint persons to fill unexpired terms of committees.

Before the first regular meeting of the Faculty Senate, the Chair will appoint the Parliamentarian of the Faculty. The Parliamentarian need not be a member of the Faculty Senate, but shall advise the Chair and the faculty on the parliamentary matters according to the latest edition of Robert's Rules of Order, Newly Revised and the Faculty Constitution and its By-Laws.

The Chair of the Faculty supervises the Faculty Senate office personnel, and with their assistance, plans the General Faculty Convocation. The Chair is responsible for conveying greetings of the Faculty at commencement exercises and representing the Faculty at university functions and Board of Trustee meetings. For the length of his/her term as Chair, the Chair of the Faculty serves as a Delegate to the Faculty Assembly (but not exceeding six consecutive years), with duties as a delegate described in the Bylaws of the Faculty Assembly of the University of North Carolina, and referenced in the ECU Faculty Manual.

The Vice Chair of the Faculty shall perform all of the duties of the Chair in the absence or incapacity of the Chair. The Vice Chair of the Faculty shall serve, at the request of the Chair of the Faculty, as the Chair's representative on faculty committees. The Vice Chair of the Faculty shall succeed to the office of Chair of the Faculty in the event that office should become vacant during the term of the incumbent.

The Secretary of the Faculty, with assistance of the office personnel, shall keep accurate minutes of all regular and special meetings, ensure distribution of copies of the minutes to all members of the general faculty, keep an accurate list of membership of the Faculty Senate, keep an accurate record of attendance, inform the Chair of the Faculty when a seat becomes vacant, serve, at the request of the Chair of the Faculty, as the Chair's representative on faculty committees, and perform such other appropriate duties as directed by the Faculty Senate.

X. Meetings of the Faculty Senate
Four regular meetings of the Faculty Senate will be held each fall and spring semester according to a schedule prepared by the Agenda Committee and approved by the Senate in the Fall Semester of the preceding year.

The organizational meeting of the Faculty Senate will be held on a Tuesday following the last regular meeting of the spring semester but before the beginning of the examination period.

Upon written petition of fifteen members of the Faculty Senate, the Chair shall call a special session of the Faculty Senate within four days. In an exceptional situation in which the regular procedures for scheduling a meeting of the Faculty Senate are clearly inadequate and would occasion undue delay, the Chair of the Faculty shall be empowered to call a special session of the Faculty Senate. A notice
stating the purpose of the special session shall be distributed to the members of the Faculty Senate and the general faculty twenty-four hours prior to the meeting.

Meetings of the Faculty Senate shall be open to all members of the general public in accordance with the North Carolina Open Meetings Law.

The general faculty shall be informed of the time, place, and agenda of all regular and special meetings.

XI. Functions of the Faculty Senate
The Faculty Senate may, at its own discretion, seek the advice and counsel of any member of the general faculty. In exercising its function the Faculty Senate shall establish whatever procedures are necessary.

The Faculty Senate shall be authorized to set up such committees as are necessary for the performance of its duties.

The legislative powers of the general faculty are delegated to the Faculty Senate and the Faculty Senate shall have the powers of the general faculty, subject to the limitations stated in this constitution, in formulating the policies of East Carolina University.

The Faculty Senate shall ratify, amend, or remand all matters of academic policy or faculty welfare which have been recommended by any standing or special committee of East Carolina University, or initiate any policies in such matters which it deems desirable.

XII. Agenda of the Faculty Senate
The Faculty Senate shall be free to establish its own agenda, provided that all matters of academic policy brought before the Agenda Committee by action of the general faculty, any senator, or any standing or special committee shall be placed on the agenda not later than the time of the second regular meeting of the Faculty Senate after receipt of the recommendation.

Matters to be brought before the Faculty Senate shall ordinarily be considered in the order set forth by the Agenda Committee. Matters for consideration may be taken out of order and/or new matters considered in any order upon a two-thirds vote of faculty senators present and voting at any meeting of the Faculty Senate.

The Agenda Committee, with assistance of the office personnel, collects all recommendations and reports from academic committees, including all standing and ad hoc committees of the Faculty Senate. The committee draws up the agenda, on the basis of the recommendations and reports received from the committees, as well as from the officers and members of the Faculty Senate, for each regular and special meeting of the Faculty Senate. The committee has the responsibility of providing each member of the faculty a copy of the agenda for each meeting of the Faculty Senate one week before the date of the meeting.

The membership of the Agenda Committee shall consist of five elected Senators, elected to the Committee by the Faculty Senate for one-year terms at the organizational meeting of the Faculty Senate each spring semester, plus ex-officio: Chair and Vice Chair of the Faculty and Secretary of the Faculty. The immediate past Chair of the Faculty, in residence, the Parliamentarian of the Faculty, and the Faculty Assembly Delegates, including elected Faculty Assembly officers, shall serve
as members without vote. The Chair of the Agenda Committee shall be chosen by the members from among its elected membership. The quorum shall be three elected committee members.

The Agenda Committee reports to the Faculty Senate on any matter within its charge requiring Faculty Senate action.

XIII. Order of Business for the Faculty Senate

A quorum shall consist of three-fifths of the elected faculty members of the Faculty Senate.

XIV. Limitations Upon Functions of the Faculty Senate
The general faculty shall be empowered to amend or rescind any act of the Faculty Senate, provided that a majority of the total membership of the general faculty at a regular or special meeting at which a quorum of at least two-thirds of the general faculty vote.

Acts or decisions of the Faculty Senate shall be considered approved unless vetoed within thirty days of the action by the Chancellor of East Carolina University by written notice to the Chair of the Faculty or unless the Chancellor notifies the Chair of the Faculty in writing that the proposal has been forwarded to the Board of Trustees or to the Board of Governors.

XV. Amendments to the Faculty Constitution
All proposed amendments to the Faculty Constitution shall be presented first at a regular meeting of the Faculty Senate for discussion, amendment or substitution. At the next regular meeting of the Faculty Senate the amendment will be voted upon for submission to the general faculty for approval.

As the creating body, the general faculty shall be empowered to amend or abolish these articles establishing the Faculty Senate. Any amendment to these articles or any action abolishing them shall require a vote of two-thirds of those present and voting at the annual Fall Faculty Convocation.

An amendment to the By-Laws of the Faculty Constitution shall be effected only by action of the Faculty Senate.

The alternate(s) will be elected in the same manner as faculty senators at the time of regular election of senators, and will serve for a two-year term.

Alternates shall be eligible for re-election. The alternate will represent that electoral unit at the discretion of any Senator within the electoral unit, and in such a situation, shall notify the Secretary of the Faculty or Faculty Senate office that he or she is representing that electoral unit prior to the convening of the Senate session in question.

II. Minutes of the Faculty Senate
A. There shall be a Faculty Senate Committee on Minutes composed of the Chair of the Faculty, Vice Chair of the Faculty, and Secretary of the Faculty.
B. Minutes shall become official on approval by the Faculty Senate Committee on Minutes. The official minutes shall be distributed to all faculty as soon as possible after a Senate meeting. Any corrections to the minutes by the Senate shall be made a part of the official minutes of the subsequent meeting.

C. The Chair of the Faculty may appoint the chair of special committees or these chairs may be elected by the committee members.
D. Non-Senate faculty members as well as Senators may serve on special committees.
E. Appellate Committee members, excluding the Faculty Grievance Committee, must be permanently tenured, voting faculty holding no administrative title (ECU Faculty Manual Part IX, Section I - Tenure and Promotion Policies and Procedures.)
F. The process for election of Appellate Committees (*ECU Faculty Manual* Part IX, Section I - Tenure and Promotion Policies and Procedures of ECU) will be as follows:

1. The Appellate Committee preference form will be distributed to all faculty, by the Committee on Committees with assistance of the office personnel in January. The completed preference form is due in the Faculty Senate office in February.
2. The Committee on Committees will review all preference forms and present to the Faculty Senate a slate of one or more nominees as there are vacancies to fill. Nominations may also be made from the Faculty Senate floor. Appellate Committee members will be elected at the Faculty Senate Organizational meeting in April. Election will be by majority present and voting.
3. This by-law may be suspended in accordance with procedures specified in *Robert's Rules of Order, Newly Revised*.

A majority of the members of all committees must be tenured or tenure-track faculty members, and in no case shall more than two elected members of each committee be fixed term faculty members. The Chancellor and the Chair of the Faculty are ex-officio members of all committees. (Faculty Senate Resolution #14-88)

Members of committees serve in accordance with their ability, training, and experience rather than as representatives of their electoral unit.

The process for election of academic and selective administrative committees will be as follows:

1. The Academic and Administrative Committee preference forms will be distributed to all faculty, by the Committee on Committees with assistance of the office personnel in January. The completed forms are due in the Faculty Senate office in February.
2. The Committee on Committees will review all preference forms and present to the Faculty Senate a slate of one or more nominees as there are vacancies to fill. Nominations may also be made from the floor of the Faculty Senate. Election of Academic and Administrative Committee members will take place at the Faculty Senate Organizational Meeting in April. Election will be by majority present and voting.

Members are elected to staggered three-year terms, which may extend to the beginning of the fall semester. Faculty members are not eligible to serve as an elected regular member on more than one standing university academic committee at a time. Service on a single academic or administrative committee is limited to election to two consecutive 3-year terms with ineligibility for election to the same committee for at least one year. Student members are nominated by the Student Government Association for appointment by the Chancellor.

Faculty Senate and Academic Committees meet on a standard schedule, set and revised by the Committee on Committees. When a Faculty Senate academic committee deals with matters which directly concern any administrator these matters should be discussed with the administrator during the development of a proposed policy. Further, the administrator should have adequate input...
before the finished resolution is presented to the Senate. This not only would involve ex-officio committee members but also would involve working with any administrator involved in a particular policy under consideration.

All University Academic Committees are Standing Committees of the Faculty Senate. Information relating to each committee is available in the Faculty Senate office and electronically on the Faculty Senate web site.

Officers: Officers of each committee are elected from the membership of the committee, excluding ex-officio, by the members of the committee, for a term of one year. Previous service as a committee officer shall not prejudice a member's election to any committee office. Under normal circumstances each committee shall have a chairperson, a vice chairperson, and a secretary. Upon organization of the new committees, at the Committees' Organizational meetings beginning in the Fall, the former chairperson if available will turn over committee records to the new chairperson. The Chair of the Faculty may declare an elected member's seat vacant upon the occurrence of three consecutive absences of that member. The Chair of the Faculty will appoint faculty members to fill vacancies of any University Academic Committee that may occur during the academic year. Interim elections may be held to fill an office that has become vacant or to replace an officer that two-thirds of the full committee membership deems is not fulfilling the obligations of the office.

The charge of each Faculty Senate and academic committee is on file in the Faculty Senate office and available electronically on the Faculty Senate web site. Many administrative committee charges are available on the East Carolina University web site.

Each committee shall operate according to the latest version of Robert's Rules of Order, Newly Revised. Minutes of each committee are on file in the Faculty Senate office and available electronically on the Faculty Senate web site and shall be sent to members of the committee and Chair of the Faculty.

A file on each committee’s activities, minutes, and other records shall be maintained in the Faculty Senate office. All committees and subcommittees, unless prohibited explicitly by the committee’s charge, University policies, or state statutes, shall hold their regular and special meetings in open session in accordance with the North Carolina Open Meetings Law, and the chairperson of committees shall inform the Senate office of the time and place of such meetings so they may be placed on the Senate calendar and publicized in order that interested faculty may attend.

The committees' annual reports shall be composed by the committee officers according to the official form and submitted to the Faculty Senate office for duplication and distribution to the Chair of the Faculty, the Chair of the Committee on Committees, the present members of the committee, and the new members of the committee whose terms begin next academic year. Copies of the committees' annual reports will be kept on file in the University Archives, Faculty Senate office, and made available electronically on the Faculty Senate web site. Upon request, copies of committees' annual reports shall be made available by the Faculty Senate office.

The Chair of the Faculty shall each year compile the Annual Report of the Faculty Senate. This report, among other things, shall contain a summary of Senate and Senate committees' activities for the immediate past year.
The Annual Report of the Faculty Senate will be distributed to the Chancellor, academic Vice Chancellors and made available on the Faculty Senate web site. Copies of the report will also be kept on file in the University Archives and the Faculty Senate office. In addition, copies of the Annual Report of the Faculty Senate will be distributed to the members of the Faculty Senate not later than the first regular Faculty Senate meeting of the next academic year.

Currently there are two Faculty Senate committees (Agenda Committee and Committee on Committees), five appellate committees (Due Process Committee, Faculty Grievance Committee, Grievance Board, Hearing Committee, and Reconsideration Committee), and 20 academic committees as follows:

- Academic Awards Committee
- Admission and Retention Policies Committee
- Calendar Committee
- Distance Education and Learning Technology Committee
- Educational Policies and Planning Committee
- Faculty Governance Committee
- Faculty Welfare Committee
- Foundations Curriculum and Instructional Effectiveness Committee
- Libraries Committee
- Research/Creative Activities Committee
- Service Learning Committee
- Student Academic Appellate Committee
- Student Scholarships, Fellowships, and Financial Aid Committee
- Teaching Grants Committee
- Unit Code Screening Committee
- University Athletics Committee
- University Budget Committee
- University Curriculum Committee
- University Environment Committee
- Writing Across the Curriculum Committee

As the need arises, additional committees are created, by the Committee on Committees to assist in the academic policy-making process.

V. Graduate Council
The Chair of the Faculty or his/her designee shall serve as an ex-officio member. The duties and responsibilities of the Graduate Council are described in the ECU Faculty Manual under Graduate School Governance. The Chair of the Graduate Council provides a monthly report to the Faculty Senate for information, comment, and advice.

VI. Faculty Assembly Delegates and Alternates

PART II - EAST CAROLINA UNIVERSITY ORGANIZATION AND SHARED GOVERNANCE

SECTION III

Academic Policy, Administrative Policy, and Vetting of Administrative PRRs in Matters Relating to Faculty

CONTENTS

I. Academic Policy
II. Administrative Policy
III. Vetting of Administrative PRRs in Matters Relating to Faculty  Revised 5-17

I. Academic Policy

The faculty organization of East Carolina University comprises the general faculty. As provided in Section 502D of The Code of UNC, the BOG requires the Chancellor to ensure that there exists in the institution a faculty council or senate, a majority of whose members are elected by and from the members of the faculty. The Faculty Senate is the legislative and advisory body which represents the general faculty and provides the means by which faculty are enabled to fulfill their function with respect to faculty welfare and academic and educational policies exclusive of graduate programs. The Faculty Senate acts upon reports and recommendations of its standing academic committees (and ad-hoc committees). Please refer to the ECU Faculty Manual, Faculty Constitution and By-Laws of East Carolina University for the detailed list of responsibilities and activities of the Faculty Senate. Graduate faculty governance and organizational matters are also outlined in the ECU Faculty Manual.

According to ECU Regulation 01.15.01 regarding recommendations for new PRRs or Changes to Existing PRRs, the Faculty Senate, the Graduate Council, Staff Senate, Student Government Association, any standing or ad hoc committee of East Carolina University or any administrative or academic officer, including Executive Officers, may recommend new PRRs or changes to existing PRRs. Any member of the University Community may forward recommendations for new or revised PRRs to any of the above entities/individuals. At East Carolina University, the general faculty are the general electorate and the Faculty Senate is the legislative and advisory body representing the general faculty. The Chancellor and the Chair of the Faculty facilitate communication that enables continuing and effective faculty participation in all aspects of the University community. The Chancellor is a member of all faculties and other academic bodies of the institution and shall have the right to preside over the deliberations of any legislative bodies of the faculties of the institution.

Academic policies pertaining to faculty shall be housed in the Faculty Manual, in particular matters relating to tenure and promotion, curriculum, degree requirements, instructional standards and grading, and faculty welfare. In the spirit of shared governance, before the Chancellor either adopts with revisions a regulation or recommends to the Board of Trustees a proposed policy that differs from a recommendation of the Faculty Senate regarding matters of tenure and promotion, curriculum, degree requirements, instruction standards, and grading, the Chancellor will seek additional advice from the Faculty Senate to be provided within a period the Chancellor establishes in the best interest of the University.(FS Resolution #12-67, April 2012)
II. Administrative Policy

Administrative policy, as distinct from academic policy, is determined by the chancellor in consultation with other administrative officers. Administrative committees are appointed by the chancellor (or the Chancellor’s designee) and report to the chancellor or to his or her designee. These committees, councils, and boards are not responsible to the Faculty Senate because of their jurisdictions and functions; however, the chair of the faculty (or an appointed representative) serves as an ex-officio member on most of the administrative committees. The complete list of current standing University administrative committees are linked here. (FS Resolution #12-06, January 2012)

III. Vetting of Administrative Policies, Rules, and Regulations (PRRs) in matters relating to Faculty

The following outlines the internal Faculty Senate process for obtaining Formal Faculty Advice on Administrative Policies, Rules, and Regulations (PRRs).

Based on the East Carolina University Policy Manual, the official repository of all approved PRRs at East Carolina University, the following process and revised procedures have been established for the solicitation and provision of faculty advice on matters involving faculty in the areas of academic policies, faculty welfare, and university governance (ECU Regulation for Policy Development 01.15.01).

When the need for an administrative PRR is determined which pertains to faculty, the appropriate authority (Chancellor) or delegated authority (e.g. Provost, Academic Council) will inform the Chair of the Faculty. The appropriate delegated authority provides the Chair of the Faculty with a draft of the proposed administrative policy. The Chair of the Faculty asks the appropriate university academic/appellate committee to review and provide feedback and recommendations to the Faculty Senate within a specific time frame, as designated by the Chancellor or issuing authority.

Following committee review and vetting, the committee will submit the recommendation to the Faculty Senate as a means of formal faculty advice on the proposed PRR. The Faculty Senate will vote on the recommendation of the university committee as formal advice for the proposed PRR. The formal advice will be documented following the same recordkeeping process as all other Faculty Senate actions and resolutions.

If the formal advice on the PRR is approved by the Faculty Senate, the formal advice will be submitted to the Chancellor following the normal established approval/review process, in addition to the appropriate delegated authority for the PRR (e.g. Provost, Academic Council). The Chancellor will act according to the established process and notify the Chair of the Faculty that the faculty's formal advice has been received.

The Chair of the Faculty and the Faculty Senate will receive formal notification from the appropriate authority (Chancellor) or delegated authority (e.g. Provost, Academic Council) following approval of the proposed administrative policy. A history of the Faculty Senate recommendation/formal advice will be maintained in the Faculty Senate office in the same manner as all other Senate actions and resolutions and maintained as feedback to the PRR policy when published in the University Policy Manual. (FS Resolution #12-66, April 2012)
I. The Graduate Faculty

A. Functions and Jurisdictions
The graduate faculty exercises the authority within the university for development of general policies and procedures for all graduate courses and programs. The graduate faculty may recommend modifications to this document, “Graduate School Organization”, directly or through the concurrent approval of the Graduate Council using the procedure in Part IV of this document.

B. Meetings
The graduate faculty may meet in plenary session. Meetings may be called by the Graduate Council, or upon petition of 15% or more of the graduate faculty to the Dean. Notice of a plenary session with time, place, and agenda will be distributed to members of the graduate faculty at least a full week prior to the meeting.

One-half or more of the graduate faculty will constitute a quorum for purposes of transacting such business as appears on the printed agenda. A simple majority of those graduate faculty members in attendance will govern unless decision to the contrary is made prior to a ballot. When a quorum is not present at a called meeting, agenda items will be referred to the Graduate Council for action.
A plenary session will be conducted according to the most recent edition of Robert's Rules of Order. Minutes will be kept and distributed to all members of the university faculty not later than ten days following the session.

C. Canvass
Business and opinion polls may be conducted through canvass when approved by the Graduate Council. This canvass may be conducted either electronically or using paper ballots. If paper methodology is used, ballots or other materials will be addressed to each graduate faculty member and sent through campus mail or delivered by messengers. To transact business through a canvass, at least one-half of the total graduate faculty must vote. A simple majority will govern unless the Graduate Council establishes a different criterion when it approved a canvass. When a less than one-half of the total graduate faculty vote in a canvass, business items with the result of the canvas, will be referred to the Graduate Council for action.

When the graduate faculty is canvassed in this manner, each ballot will provide space in which each member can indicate his or her preference for a plenary session dealing with the issue to be decided. If 15 percent or more of the graduate faculty indicates preference for a session, the canvass will be nullified, and a plenary session will be called.

D. Voting Privileges
Only Graduate Teaching Faculty, Associate Graduate Faculty, and Graduate Faculty members may vote on university-wide graduate issues.

E. Implementation
Each code unit with a graduate program will develop a procedure for obtaining faculty input to the process of nominating graduate faculty and report this procedure to the Graduate Council. In addition, each code unit with a graduate program will examine the educational objectives of their graduate degrees, which were prepared for the SACS accreditation and articulate the types of research, creative activity, or other activities that are appropriate for graduate faculty in their discipline. Each code unit will then submit its articulation to the Graduate Council for approval. Once the articulation is approved, it will be used to evaluate nominations for the graduate and associate graduate faculty from the submitting code unit.

F. Membership
The following paragraphs address the general qualifications for membership, rights, privileges and responsibilities; method of appointment; and method of reappointment of each category of membership on the graduate faculty; and the methods of implementing these policies. There are four types of membership in the graduate faculty. They are (1) graduate faculty member, (2) associate graduate faculty member, (3) graduate teaching faculty member, and (4) ex-officio graduate faculty member.

Graduate Faculty Members. Qualifications for graduate faculty members include:
• The highest earned degree in the field.
• Demonstrated evidence of success in research/creative activity.
• Demonstrated evidence of successful graduate teaching.
• Demonstrated evidence of successful supervision of research or creative activity, if applicable.
In some instances, extensive professional experience, high productivity, or successful competition for research/creative activity support may substitute for the highest degree.
Graduate faculty members are eligible to serve on the Graduate Curriculum Committee, may serve as a Graduate Program Coordinator, may teach graduate classes, and may be a member of doctoral or master's committees. Graduate faculty members with a terminal degree in an appropriate field of study may chair a master's thesis committee or doctoral dissertation committee. Graduate faculty members not possessing a terminal degree may co-chair a master's thesis committee when the other co-chair has associate graduate faculty status or higher and possesses a terminal degree in an appropriate field of study. Exceptions to this requirement may be granted by the Dean of the Graduate School prior to the formation of the committee. Code units may define additional criteria for eligibility to serve in doctoral programs. (FS Resolution #15-18)

Appointment to the graduate faculty occurs as the result of the following procedure. Upon recommendation of the graduate faculty of the code unit (the procedure for which has been outlined as described under Implementation, below), the appropriate unit administrator forwards a nomination to the dean of the college or professional school, as appropriate, and then to the Dean of the Graduate School. Each nomination should state the type of appointment and contain evidence that the nominee has satisfied the criteria for the type of membership sought in a manner consistent with the code unit's interpretation of those criteria. The Dean of the Graduate School will review the recommendation of the academic unit to determine that it is consistent with the unit's criteria and appointment procedures. If the dean concurs, he or she will notify the academic unit and the faculty member of his or her appointment. If the dean does not approve the unit's recommendation the application will automatically be referred to the Graduate Council. A two-thirds majority of the Graduate Council will be required to overturn the administrative decision.

Appointment to the graduate faculty is for five years. At the end of the term, the appointment will be reviewed within the unit in the manner outlined for initial appointments, except that the focus will be on the activity during the five years immediately preceding the evaluation. If it is the opinion of the code unit graduate faculty that the appointment should be renewed, the appropriate unit administrator will add his/her opinion and submit the appropriate renewal application to the dean of the college or professional school, as appropriate, and then to the Dean of the Graduate School who will review the application. To be reappointed, it is not necessary for an individual to have participated in all phases of graduate education. Individuals appointed to major administrative assignments (department chairs or above) who are members or associate members of the graduate faculty at the time of their appointment are exempt from the re-nomination process until five years after the expiration of the administrative appointment. Individuals with other administrative appointments may be considered for a waiver by Graduate Council upon nomination by their code units.

For faculty on probationary appointments, the term on the graduate faculty is coterminous with the length of that appointment or four years, whichever is longer. Tenure track faculty will be re-nominated for the graduate faculty as part of the contract renewal process immediately prior to the expiration of the term on the graduate faculty. The appropriate dean or chair will provide information on the faculty member's accomplishments during the period to the appropriate graduate faculty in the unit and the nomination process will proceed as outlined above.

Associate Graduate Faculty Members.
Qualifications for associate graduate faculty members include:
- Highest earned degree in the field.
- Demonstrated evidence of success or the potential for success in research/creative activity.
- Demonstrated evidence of successful graduate teaching or the potential of such success.
• Demonstrated evidence of successful supervision of research or creative activity or the potential of such success, if applicable. In some instances, extensive professional experience, high productivity, or successful competition for research/creative activity support may substitute for the highest degree.

Associate graduate faculty members may serve as Graduate Program Coordinators, may teach graduate classes, and may be a member of doctoral or master’s committees. Associate graduate faculty members with a terminal degree in an appropriate field of study may chair a master’s thesis committee or doctoral dissertation committee. Associate graduate faculty members not possessing a terminal degree may co-chair a master’s thesis committee when the other co-chair has associate graduate faculty status or higher and possesses a terminal degree in an appropriate field of study. Exceptions to this requirement may be granted by the Dean of the Graduate School prior to the formation of the committee. Code units may define additional criteria for eligibility to serve in doctoral programs. Code units must define criteria for associate graduate faculty members to chair doctoral committees in their unit codes of operation. All procedures for appointment and reappointment as well as terms of office for the associate graduate faculty will be the same as those for the graduate faculty members. (FS Resolution #15-18)

Graduate Teaching Faculty Members.
Qualifications for graduate teaching faculty members include:
• Highest earned degree in the field.
• Professional certifications or licensure as specified by the code unit.
• Demonstrated evidence of success or the potential for success graduate teaching.
• Evidence of professional growth, e.g., completion of continuing education, participation in relevant seminars, or other professional activity. In some instances, especially for clinical faculty, extensive professional experience, high productivity, or successful competition for research/creative activity support may substitute for the highest degree.

Graduate teaching faculty members may teach masters or doctoral classes as appropriate for their background, certification, and experience and may be the fourth member of a thesis or dissertation committee upon certification of appropriate experience or expertise by the unit administrator.

All tenure-track faculty members who hold the appropriate terminal degree for the discipline in which they hold their appointments are deemed to be members of the graduate teaching faculty upon their initial appointments. Code units are responsible for notifying the dean of the college or professional school, as appropriate, and the Dean of the Graduate School of these individuals and requesting an appointment to the graduate teaching faculty. As part of their first evaluation for contract renewal of a probationary appointment, if the code unit wishes the person to become a member or associate member of the graduate faculty, it would use the information gathered in the process of contract renewal to provide the nominations as outlined above. If the code unit wishes the person to remain a member of the graduate teaching faculty, it renews the appointment by notifying the dean of the college or professional school, as appropriate, the Dean of the Graduate School, and the individual involved. If the code unit wishes to remove the person from responsibilities for graduate teaching, it notifies the person, the dean of the college or professional school if appropriate, and the Dean of the Graduate School.

Other appointments to the graduate teaching faculty are made by the appropriate code unit administrator, the graduate faculty of the code unit, and the Dean of the Graduate School, in
accordance with procedures approved by the graduate faculty of the code unit. These appointments are valid for the terms of the individuals’ contracts.

Ex-officio Members.
Administrators with responsibilities for graduate programs who do not hold other appointments to the graduate faculty will be appointed to an ex-officio membership commensurate with background and experience and will hold that appointment for the duration of their administrative appointment.

External Thesis and Dissertation Committee Members.
Individuals external to ECU with demonstrated expertise in the area of study in a thesis or dissertation may serve on, but not chair a thesis or dissertation committee. The external member should have a terminal degree in an appropriate discipline or extensive professional experience. This appointment must be approved by the Dean of the Graduate School. The procedure for appointing a person to serve in this role will require approval by the Graduate Program Director and the unit graduate faculty members serving on the thesis or dissertation committee. The Graduate Program Director will submit a letter of request to the Dean of the Graduate School outlining the person’s credentials (academic CV or resume) as related to the specific thesis or dissertation.

G. Removal of Graduate Faculty Members Prior to Expiration of Their Terms
If a graduate faculty member is found to be deficient in carrying out expected roles and responsibilities based on guidelines present in the Unit Code, every effort should be made to remediate the problems identified through normal faculty evaluative procedures. If a faculty member continues to demonstrate serious deficiencies, and/or fails to perform his or her duties professionally or ethically as a graduate faculty member, the unit head or one-half of the members of the graduate faculty at the same graduate faculty status or higher of the original nominating code unit may initiate a process to recommend removal of a faculty member from the graduate faculty prior to the end of the appointment period. Any such recommendation shall include the reasons for the recommendation in writing from the Graduate Program Director or Coordinator of the original nominating code unit. A two-thirds majority of the members of the graduate faculty at the same graduate faculty status or higher of the original nominating code unit must vote to confirm the recommendation. The recommendation shall be shared with the faculty member in question who has ten working days in which to respond in writing to those making the recommendation. Should a two-thirds majority of the members of the graduate faculty at the same graduate faculty status or higher of the original code unit wish to proceed, both their recommendation and the response of the faculty member shall be forwarded to the Unit head who will review this recommendation and response in consultation with the faculty member’s College Dean and Graduate Program Director or Coordinator. If the Unit Head and College Dean concur that the faculty member should no longer be a member of the graduate faculty, the Unit head makes this recommendation to the Dean of the Graduate School. The Dean of the Graduate School is then authorized to remove the individual from the graduate faculty. If the Unit Head and/or College Dean do not concur with the recommendation of the unit graduate faculty, the non-concurring recommendations of the graduate faculty and administrator(s), and the response of the faculty member, shall be forwarded to the Dean of the Graduate School for final decision. The removed faculty member shall have the right to appeal through general grievance procedures detailed in Part XII of the Faculty Manual.

Before a faculty member is removed the Graduate Program Director must confirm to the Dean of the Graduate School that students under supervision of the removed faculty member have been assigned to appropriate graduate faculty members in a manner specific to the program/department. If at some point in the future the removed faculty member chooses to apply to return to graduate faculty status,
documentation regarding the removal of graduate faculty status will be included for consideration along with the request. (Faculty Senate Resolution #16-29, May 2016)

II. Coordinators of Graduate Programs, the Graduate Council, the Graduate Council Executive Committee, and the Graduate Curriculum Committee

A. Coordinators of Graduate Programs

All Graduate Council members are elected to serve three-year staggered terms for continuity. Regular terms begin with first Graduate Council meeting in the fall semester. The seat of an elected Graduate Council member who fails to attend more than three consecutively held meetings of the Graduate Council shall be declared vacated by the Chair of the Graduate Council. The Chair of the Graduate Council will contact the unit and request a replacement. The Graduate Council will annually elect a Council Chair and Vice-Chair as well as four persons to serve on the Graduate Council Executive Committee from the elected members of the Graduate Council during its April organizational meeting. (FS Resolution #15-18)
