Marshall Scholarship

- Marshall Scholarships finance young Americans of high ability to study for a degree in the United Kingdom.

- Up to forty (40) Scholars are selected each year to study at graduate level at an UK institution in any field of study.

- As future leaders, with a lasting understanding of British society, Marshall Scholars strengthen the enduring relationship between the British and American peoples, their governments and their institutions. Marshall Scholars are talented, independent and wide-ranging, and their time as Scholars enhances their intellectual and personal growth. Their direct engagement with Britain through its best academic programs contributes to their ultimate personal success.

- The Marshall Scholarship program is open only to United States citizens who (at the time they take up their Scholarship) hold a first degree from an accredited four-year college or university in the United States with a minimum GPA of 3.7.
