Medical students begin in the second summer session and finish the first summer session twelve months later (one calendar year). Medical residents may begin either first or second summer session (requires one year away from clinical responsibilities). Practicing physicians and residents may attend part-time and enter in any term.

MGMT 6102, OMGT 6123, ACCT 6241, FINA 6144, MKTG 6162 can be waived as appropriate based on the completion of undergraduate course work at acceptable performance levels. Course waivers are made on a course-by-course basis as approved by the Director for Graduate Programs if equivalent undergraduate courses have been completed with a minimum grade of B-. Applicable undergraduate course work for OMGT 6123 and FINA 6144 waivers must be completed within five (5) years of acceptance into the MBA program.

Students must complete a minimum of 33 semester hours of graduate business coursework for MD/MBA program completion. MD/MBA students may be required to complete substitute classes for waived courses to meet the 33 semester hour minimum for degree completion.

Residents or practicing physicians pursuing the program part time must satisfy prerequisite requirements.
