Department of Public Health Grand Rounds
“An Ounce of Prevention in the Medical School Curriculum”

Kristina Simeonsson, MD, MSPH
Assistant Professor in Pediatrics and Public Health at Brody School of Medicine

February 13, 2012
5:30-6:30 pm
Brody Auditorium

Objectives:

• Describe a new national curriculum for prevention and population health.
• Highlight some of the educational materials developed for this curriculum.
• Discuss challenges of integration of these educational materials into curricula at health professional schools.
