Remember Belk Hall
BELK HALL BRICK PROJECT
Personalize a brick

Belk Residence Hall will always hold a significant space in the annals of the history of ECU. Belk Hall is a staple of the commitment to excellence that exudes our university. The commemorative brick program allows former residents to celebrate the 47-year history of Belk Hall. Each brick will be specially selected post-demolition and have an affixed commemorative plaque, customized to your unique connection to Belk.

As you honor Belk Hall, you also benefit current and future students at East Carolina University. Proceeds from the personalized brick program support enrichment activities provided by the Division of Student Affairs, such as the Residential Scholars Program. The Residential Scholars program supports annual scholarships for upper-class students living on campus. The students, who are selected through a competitive awards process, are evaluated for their involvement in campus leadership, community service and academic excellence. A minimum GPA of 3.0 is required for application and continuance in the program. Twenty-five awards are available each year.

Your plaque inscription may include any of the following items:
• Your name
• Belk Hall room number or Belk Hall
• Duration of time in Belk Hall
