**PUBLIC HEALTH STUDIES: PRE-HEALTH PROFESSIONS**  
**FIRST SEMESTER COURSE OPTIONS**

**IMPORTANT:** The schedule you create now through PIER is a *first draft*. Advisors will help you finalize your schedule when you attend New Student Orientation this summer. Schedule changes can be made now through the first week of the fall semester. **Courses fill up quickly so begin registering for classes as soon as possible.** If you wait to until New Student Orientation to begin the registration process, your course options will be limited.

**CHOOSE YOUR FALL COURSES:** To stay on track to graduate in four years, plan to register for a 15-16 semester hour schedule every fall and spring semester. To be full-time for tuition purposes register for at least 12 semester hours.

**Step 1:** Click [HERE](#) to open a step-by-step, screenshot tutorial on how to register for classes in Banner Self Service.

**Step 2:** Register for PRIORITY course(s) in your major. If courses are full please move on to Step 3 and continue to check for open seats in your priority course(s) up until you attend New Student Orientation.

It is critical you register for the above course(s) as soon as possible. Seats may be limited if you wait until orientation.

**Step 3:** In addition to BIOL 1100 & 1101, (4 semester hours), select 12 semester hours from the course options below.
