Subcommittees established during the year (include progress and/or completion of work).

The UCC established a subcommittee to review and create an amended list of Bloom’s Taxonomy verbs. The subcommittee created this amended document and has shared the document to the Graduate Curriculum Committee (GCC) for its consideration. It is intended that once agreed upon, the amended list will be uploaded into Curriculog to assist faculty in developing their course proposals and revisions. The current resource in Curriculog is unnecessarily lengthy, redundant, and dated.

Accomplishments during the year. Please include recommendations made to any University agency other than the Faculty Senate.

A. The UCC developed and shared with GCC a two-page reference with a revised list of measurable and observable verbs for a resource when developing objectives. The list included an updated organization based on Bloom’s taxonomy and additional resources for verbs and organization of verbs.

B. UCC members participated in discussions regarding the Writing Across the Curriculum’s (WAC) proposal to add ENGL 2201 as a prerequisite or corequisite to all WI courses. The UCC provided feedback to the WAC committee about the proposal and the curriculum review process. UCC agreed to assist in the creation of specific instructions for faculty members who wish to (voluntarily) add ENGL 2201 as prerequisite or corequisite to a departmental WI course through the curriculum review process.

C. The UCC reviewed and discussed the WAC proposed revisions to the transfer policy for WI courses from other institutions. UCC provided feedback on the drafted policy and asked about the potential impacts on transfer students.

D. UCC members considered a proposed policy revision from the UNC Board of Governors regarding the establishment a system of common course numbering across all UNC system institutions. UCC shared their feedback and questions with the Chair of the Faculty to share with the Provost.

E. In discussions regarding a proposed new 0-credit hour course that came before the committee, the UCC determined that ECU has no specific policy regarding the development, structure and grading of 0-credit hour courses. After discussion with committee members, the Chair of the UCC met with the Chair of the Faculty, the Chair of the Educational Policies and Policies and Planning Committee (EPPC), and the Chair of the Admissions and Retention Policies Committee to discuss the proposal. The Admissions and Retention Policies Committee will develop a policy(s) related to 0-credit hour courses to provide guidance to faculty and UCC in this area.

F. In Spring 2021, the UCC secretary joined the Alternative Block Schedule (ABS) Strategic Enrollment Planning (SEP) Implementation Team, which is leading the 8-week block schedule initiative on campus. The UCC discussed the impact of the 8-week block schedules and provided feedback to the ABS SEP Implementation Team.

G. UCC recommended to the Chair of Faculty to consider revising the language used in the Undergraduate Catalog and other ECU documentation to change ‘freshman’ to ‘first year student.’

H. The UCC held an extra meeting to review and approve curriculum packages on March 4, 2021 and added two additional hours to the March 25, 2021 meeting to provide more units the opportunity to meet the 2020-2021 catalog deadline.

I. The UCC continued to utilize the comment feature in the proposal forms in Curriculog to alert originators to small errors/questions about proposals before the meetings. This practice allowed originators to address issues or answer questions before the meeting in many cases, and the meetings were more efficient and fruitful as a result.

J. The UCC conducted all meetings during the 2020-2021 academic year through Teams, utilizing the waiting room, chat, and screen sharing features. The virtual format facilitated UCC members, including elected and ex-officio members and staff, to discuss packages with presenting faculty and guests regardless of their location. Many thanks to Rex Rose, Diane Coltraine, and Karen Traynor, UCC members, and faculty presenters for their flexibility, patience, and work this academic year.

K. The UCC reviewed 306 curricular actions.
