Evaluation Procedures
In September, the selection committee will be convened by the Director of the Office for Faculty Excellence and consist of: 2 members of the Academic Awards Committee, elected by the committee; 1 faculty member each appointed by the Provost and Senior Vice Chancellor for Academic Affairs and the Vice Chancellor for Health Sciences; 1 faculty member appointed by the Chair of the Faculty; and 1 student member appointed by the President of the Student Government Association. Following the appointment or election of a selection committee chair, the selection committee will develop a checklist and rubric for evaluating and scoring the application packets in accordance with the approved award procedures.

In November, packets will be made available to members of the selection committee via the Blackboard course management software and the selection committee will review and evaluate the submitted materials according to the developed checklist and rubric. The checklist and rubric must
mirror the award guidelines. After review of submissions, selection committee will identify their top candidates in rank order for committee discussion.

By early January, the selection committee will forward to the Chancellor the names of all nominees, indicating the names of the two finalists, and the supporting documentation of the finalists. The Chancellor reviews the selected finalists’ materials in accordance with the approved award procedures and forwards to the Board of Governors the name of the one finalist from East Carolina University.

In the Spring, the award recipient will be recognized during a Board of Governors Ceremony and the annual ECU Teaching Awards Ceremony. Following the public announcement of this award, the Chancellor will send a letter of recognition to the recipient and letters of appreciation to nominees.

The award winning portfolio will be kept on file for public review in the Office for Faculty Excellence Reading Room, Joyner Library.
