University Curriculum Committee  
Meeting Minutes of 8 October, 1998

Minutes of the 24 September meeting were approved.

Item 2-- Doug Macmillan presented a new course ENGL 3640. This course is intended to be an elective and will carry humanities general education credit. Writing intensive credit will be requested. Knickerbocker moved approval and Graziani seconded. The motion passed.

Item 3-- Linda Wolfe presented the request to establish a multidisciplinary minor. It is intended that this minor be mainly for Arts and Science students. It was made part of the motion to accept that this minor would exclude courses in the students major. C. Bland moved approval and Joyner seconded. The motion passed.

Item 4-- Ayers moved approval of the new course request form. Joyner seconded. The motion passed.

Item 5-- The committee took up discussion of distance learning. Issues included the role of this and/ or other committees in distance learning and coordination with the graduate committee. This issue will be discussed further at later meetings.

The committee adjourned at 2:45.
