### Section III

VI. **New Business**  
(Stacy Weiss)

1. Global Change to Prerequisites for Writing Intensive (WI) Courses. UCC Committee discussed the WAC proposal. Committee members expressed several concerns regarding the ENGL 2201 prerequisite requirement including: (1) Impact on timely students' progress towards graduation, particularly for transfer students, students in smaller programs, or students in programs with a strict scope and sequence; (2) Limited faculty input and program approval of curricular changes to their courses and programs; (3) Limited justification for the need for the prerequisite change; (4) Relevance of ENGL 2201 content as a prerequisite to all programs' 3000 and 4000 level WI courses; and (5) Availability of seats in and instructors for ENGL 2201. The additional concern was raised about the deviation from the required process for other prerequisite course changes that begins with program faculty and progresses to UCC before Faculty Senate.

- VII. Motion to adjourn the meeting was made by Marylaura Papalas, and seconded by Ishara Matthews. The meeting was adjourned at 3:09 p.m.
