(Stacy Weiss)

1. Tabled Business Proposal.

1. Recap of the proposal and previous discussion:
Questions about precedent and feasibility for a new 0-credit hour course attached to a Note. Usually these 0-credit courses are labs that are graded, and the grade is attached to another course (ie it is integrated into that course's grading requirements). Pass/fail is not currently an option for undergraduate 0-credit courses. And it is not possible to provide a grade for a 0-credit hour course; they are labeled as NG (no grade).
2. After more discussion of the proposal, the UCC concluded that the best way forward is for the Chair of the UCC Dr. Stacy Weiss to meet with the Chair of the Educational Policies and Planning (EEPC) Committee Dr. Marc Bowler and the Chair of the Faculty Senate Dr. Puri Murtinez for further discussion and consultation.

- X.** Motion to adjourn made by Cindy Bellacero, and seconded by Emmanuel Gruber.
