Committee: Educational Policies and Planning

Meeting Date: November 10, 2000

Person Presiding: George Bailey

Regular Members in Attendance: George Bailey, David Lawrence, Martha Engelke

Actions of Meeting

The minutes of 10/13/00 were accepted as written.

Permission to Establish: School of Industry and Technology
Dr. Chia and faculty from the School of Industry and Technology presented proposals to establish the following programs:
B.S. in Civil Engineering/Civil Technology/Technician
B.S. in Environmental and Pollution Control Technology/Technician
B.S. in Electronics Engineering Technology
Support letters from Math Department and Business School were obtained.
All programs will seek full accreditation by appropriate accrediting body.

ACTION: All programs were approved.

Minor in Neuroscience

ACTION: Will be a future agenda item

Admission Requirements in the Catalogue
Bailey stated that while degree requirements for a major are consistently listed in the catalogue, admission requirements are not always listed. Bailey suggested that EPPC send a recommendation to Faculty Senate that complete admission criteria for all majors be listed in the catalogue. Smith and Ringeisen suggested that there was a need to get more information on current practices before sending this forward.

ACTION: Tschetter moved to table. Rosenberg seconded. Motion tabled.

Committee on Committee Recommendations

Bailey has met with representatives of Committee on Committees and asked that the charge of EPPC focus on evaluating the academic quality of new programs rather than budget considerations and that the number of
elected members increase while ex-officio members decrease.

ACTION: Continue to monitor work of Committee on Committees and provide input.
